SIHNV Composition Plan

This SIHNV Composition Plan is offered pursuant to Sections 214(3) and 252 of the Dutch Bankruptcy Act to the ordinary non-preferred creditors of SIHNV, being:

- (i) the SIHNV MPC Claimants;
- (ii) the SIHNV Contractual Claimants;
- (iii) the SIHNV Financial Creditors;
- (iv) the Intra-Group Creditors;
- (v) the Non-Qualifying Claimants;
- (vi) the Contingent Creditors; and
- (vii) the Other Unsecured Creditors.

If you are an ordinary non-preferred creditor of SIHNV, you are invited to file claims as set out in this SIHNV Composition Plan, as you may be eligible to receive payment. SIHNV does not have any secured creditors.

On 28 May 2021, the District Court of Amsterdam has appointed a committee of representation (*commissie van vertegenwoordiging*). This means that the members of the committee of representation will vote on this SIHNV Composition Plan instead of individual SoP Creditors.

This SIHNV Composition Plan will become effective if, amongst other conditions, it is adopted by a 75% majority of the members of the committee of representation and is confirmed by the District Court of Amsterdam (*homologatie*). If and when this SIHNV Composition Plan becomes effective, distributions will be made to certain ordinary non-preferred creditors of SIHNV in accordance with the provisions of this SIHNV Composition Plan. In the absence of such adoption and confirmation, this SIHNV Composition Plan will not become effective and will not constitute a compromise of any claims of ordinary non-preferred creditors of SIHNV.

In order to receive a payment, ordinary non-preferred creditors whose claims have not already been admitted in the SoP process must file their claims with the Claims Administrator on or before the Bar Date. Instructions on how to file a claim are set out in the Explanatory Memorandum and on the settlement website: www.steinhoffsettlement.com.

This SIHNV Composition Plan does not constitute, and may not be construed to constitute, an admission of any liability for whatever claim or cause.

Unless defined otherwise, capitalised terms have the meaning given to them in **Schedule 1** (*Definitions List*) to this SIHNV Composition Plan.

Ordinary non-preferred creditors are recommended to contact their respective advisers regarding the filing procedures set out in this SIHNV Composition Plan and to consult www.steinhoffsettlement.com for further information.

Part A – Explanatory Memorandum

1 Introduction

1. The background to this SIHNV Composition Plan is as follows.
2. Certain events are or may be alleged to have occurred in relation to alleged mismanagement (*wanbeleid*), accounting irregularities, market manipulation, misstatements, misrepresentation of and otherwise misleading annual accounts and other financial reporting (including the overstatement of profits and asset valuations), including in prospectuses published (such as the 2015 Prospectus) by and/or other public statements made by (current and/or former) Steinhoff Group Companies, as well as in relation to allegations of improper fulfilment of duties by any Audit Firms, managing or supervisory directors, officers and/or employees of (current and/or former) Steinhoff Group Companies as well as by certain third parties and other matters, whether such allegations are known or unknown at the date of this SIHNV Composition Plan (collectively, the "**Events**").
3. The Events and their disclosure have led or may lead to allegations, whether such allegations are known or unknown at the date hereof, by various SoP Creditors. These allegations are set out in **Schedule 11** (*The Allegations*). The allegations set out therein are referred to as the "**Allegations**".
4. Following announcements with respect to certain developments in connection with the Events and/or the Allegations since December 2017, the Steinhoff Group has worked to restore confidence by protecting its underlying businesses, undertaking an investigation into the causes and effects of the Events and/or the Allegations and stabilising its financial position. To that end, the Steinhoff Group effected a financial restructuring in 2018 and 2019 to extend its financings until 31 December 2021 under the terms of amended and restated credit agreements and the SIHNV Contingent Payment Undertakings (the "**Financial Restructuring**").
5. It was not possible to resolve all issues faced by the Steinhoff Group at the same time as implementing the Financial Restructuring. One of the key issues has been the possible contingent liabilities arising from the Events and/or the Allegations, reflected in the Claims that have been initiated, announced or threatened, or may be so in the future, against the former listed South African entity Steinhoff International Holdings Proprietary Limited ("**SIHPL**"), SIHNV, other Steinhoff Group Companies, the D&Os and the Audit Firms in courts in South Africa, the Netherlands, Germany or other jurisdictions. These proceedings have been brought, announced or threatened, or may be so in the future, by a wide variety of SoP Creditors against a variety of defendants, based on or related to the Events and/or the Allegations, and have prompted or may prompt certain of those defendants to initiate contribution claims against other defendants (collectively and individually, the "**Litigation**").
6. This SIHNV Composition Plan is a fundamentally important component in providing a full and final resolution of substantially all of those outstanding Claims, the Litigation with respect to SIHNV and SIHNV's other possible contingent liabilities and potential recourse Claims by

Audit Firms and D&O Beneficiaries.¹ Obtaining such a full and final resolution is crucial in order to return financial stability to the Steinhoff Group. It is essential to note, however, that this SIHNV Composition Plan is inter-conditional with, and dependent on the success of, a proposal by SIHPL for the settlement and compromise of its litigation and financial liabilities in accordance with the terms of the SIHPL Section 155 Proposal. Furthermore, in terms of the SSSA (as defined below), the D&O Insurers, the Settling D&Os, the Deloitte Firms, SIHPL, SIHNV and other Steinhoff Group Companies grant each other, certain of the other D&Os and the other Audit Firms and other Deloitte Beneficiaries releases and waivers from Claims relating to the Events and/or Allegations, including potential recourse Claims under the terms set out in the SSSA. Those releases and waivers will only become effective if and when this SIHNV Composition Plan and the SIHPL Section 155 Proposal are approved and sanctioned. In short, the Steinhoff Group Settlement is comprised of this SIHNV Composition Plan and the SIHPL Section 155 Proposal together and, as such, each must be approved and sanctioned before either comes into effect, and the releases and waivers in the SSSA will also only come into effect in that event. For the avoidance of doubt, the provisions of this SIHNV Composition Plan do not in any way impair or diminish any of the rights of the D&O Beneficiaries and the Audit Firms and other Deloitte Beneficiaries under the SSSA or any other agreements between the D&O Insurers, the Settling D&Os and/or Deloitte Firms and any Released Parties and/or any SoP Creditors. The key obligations assumed by SIHPL and SIHNV pursuant to the SSSA are set out in **Schedule 13** (*Overview of Key Obligations assumed by SIHPL and SIHNV pursuant to the SSSA*).

7. This SIHNV Composition Plan is expected to offer the SoP Creditors a more favourable and more certain recovery on the Claims as compared to a liquidation of SIHNV's assets.
8. Every SoP Creditor is encouraged to support this SIHNV Composition Plan.
9. Capitalised terms used in this SIHNV Composition Plan, including in this Explanatory Memorandum, have the meanings given to them in **Schedule 1** (*Definitions List*).
10. The initial draft of this SIHNV Composition Plan was submitted to the District Court of Amsterdam on 15 February 2021. An amended draft of this SIHNV Composition Plan was submitted to the District Court of Amsterdam on 23 March 2021 and on 15 June 2021. This is the updated draft of the SIHNV Composition Plan, which is accessible on www.steinhoffsettlement.com. It can also be inspected free of charge at the court registry (*griffie*) of the District Court of Amsterdam.²
11. A document showing the changes of the updated draft of this SIHNV Composition Plan as compared to the initial draft of this SIHNV Composition Plan is included as **Schedule 12** (*Comparison with Initial Draft SIHNV Composition Plan*). Among other things, the cumulative changes relate to the following:

¹ The terms of certain of the Deloitte & Touche South Africa engagement letters with SIHPL and other Steinhoff Group Companies stipulate certain limitations of liability on the part of Deloitte & Touche South Africa and provide for a right of Deloitte & Touche South Africa to be indemnified by SIHPL and other Steinhoff Group Companies and their directors and officers and managers (a) against Claims by third parties relating to reports of Deloitte & Touche South Africa received by third parties, including Claims by third parties relying on such reports and (b) for all losses, liabilities, damages, costs or expenses incurred by Deloitte & Touche South Africa as a result of SIHPL and other Steinhoff Group Companies and their directors and officers and managers failing to comply with their obligations under the engagement letters, including their obligations to provide accurate information and to disclose all relevant information to Deloitte & Touche South Africa. The Deloitte NL engagement letter with SIHNV contains similar terms and conditions.

² You may find the contact details of the District Court of Amsterdam at <https://www.rechtspraak.nl/English/Contact/Pages/Contact-information-of-the-courts.aspx>.

- (i) the conclusion of the SSSA on 23 March 2021 and the updated releases documented in Clause 12 to, among other things, give effect to the SSSA (see section 2.4.3 below);
 - (ii) the identity of the SoP Administrators and Supervisory Judges as appointed by the District Court of Amsterdam;
 - (iii) the appointment of a SoP Committee of Representation by the District Court of Amsterdam on 28 May 2021 which will vote on this SIHNV Composition Plan instead of individual SoP Creditors;
 - (iv) the conversion of (pleaded) values of Claims originally in ZAR of certain Intra-Group Creditors and SIHNV Contractual Claimants to EUR at the ECB exchange rate for 15 February 2021 (the date of commencement of the SoP); and
 - (v) the increases of the settlement offer under the Steinhoff Group Settlement and the increase of the estimated outcome under the Liquidation Comparator (see section 2.2 below).
12. This SIHNV Composition Plan may be further amended by SIHNV. Any (further) amendments to this SIHNV Composition Plan will be published on www.steinhoffsettlement.com and the final version of this SIHNV Composition Plan, as may be amended, will be accessible on www.steinhoffsettlement.com.

2 The Steinhoff Group Settlement

2.1 Negotiation of the Steinhoff Group Settlement

13. Together with representatives of various groups of creditors and of claimants, SIHNV and SIHPL have been exploring the possibility of resolving the disputes and the Claims relating to the Events and/or the Allegations and settling (other) unsecured non-preferred Claims against SIHNV and SIHPL.
14. To this end, the Steinhoff Group has proposed the Steinhoff Group Settlement, which has been laid down in the Settlement Term Sheet. This reflects the commercial terms of settlement of the Claims relating to the Events and/or the Allegations and the Steinhoff Group's other possible contingent liabilities, including those of:
- (i) MPC Claimants who purchased shares in SIHNV and/or SIHPL based on, among other things, alleged misstated financial disclosures;
 - (ii) Contractual Claimants who, in accordance with the terms of contractual arrangements involving certain Steinhoff Group Companies, sold businesses, shares or otherwise received consideration directly from relevant Steinhoff Group Companies by way of issuance or transfer of shares in SIHNV and/or SIHPL;
 - (iii) Non-Qualifying Claimants who have instituted legal proceedings against SIHNV and/or SIHPL in respect of Claims that are neither MPC Relevant Claims nor Contractual Relevant Claims against SIHNV or SIHPL. SIHNV disputes these Claims, and Non-Qualifying Claimants will only receive distributions to the extent that the Claim Values of such Claims are ultimately determined on a binding basis or otherwise agreed by relevant parties;
 - (iv) Financial Creditors that are the beneficiaries of Contingent Payment Undertakings entered into with SIHNV and SIHPL; and

- (v) Intra-Group Creditors that are the lenders under Intra-Group Loans entered into by SIHNV.

15. The qualification of a person as an MPC Claimant requires the purchase of SIHNV Shares and/or SIHPL Shares prior to 5 December 2017 c.o.b. and that those shares continued to be held until 5 December 2017 c.o.b., regardless of whether that person sold or otherwise lost ownership of those shares after 5 December 2017 c.o.b.. Qualification as an MPC Claimant does not depend on whether a person still holds SIHNV Shares today. Conversely, current shareholders of SIHNV do not qualify as an MPC Claimant to the extent that they acquired SIHNV Shares after 5 December 2017 c.o.b.. The Steinhoff Allocation Plan contains further parameters and qualifications as to whether an MPC Claimant is deemed to have suffered inflation damage as a result of purchasing SIHNV Shares and/or SIHPL Shares prior to 5 December 2017 c.o.b..

2.2 Improvement of the Steinhoff Group Settlement

2.2.1 Increase of the Gross Settlement Fund

16. Since the announcement of the original Steinhoff Group Settlement in July 2020, the Steinhoff Group's underlying businesses have shown resilient financial and operational performance and an increase in the value of a number of its investments. As a direct consequence of these developments, positive currency movements and improved outlook, SIHNV and SIHPL announced on 16 July 2021 an increase in the settlement offer under the Steinhoff Group Settlement. As a result, the amount of the Gross Settlement Fund has been increased from EUR 370,000,000 to EUR 612,620,000 (a 66% increase):
- (i) As previously, this (increased) amount is to be allocated proportionately among SIHPL MPC Claimants, SIHNV MPC Claimants and SIHNV Contractual Claimants under the terms and conditions of the SIHNV Composition Plan and the SIHPL Section 155 Proposal.
 - (ii) One consequence of the SIHPL MPC Claimants participating proportionately in the enhanced recoveries under the Gross Settlement Fund was that the loan note to be issued by SIHPL to SIHNV (in consideration for SIHNV settling the SIHPL MPC Relevant Claims under the SIHPL Section 155 Proposal) would also be increased from no more than EUR 100 million to an estimated EUR 164 million (see par. 113 below).
 - (iii) The increase of the Gross Settlement Fund will result in a corresponding reduction in the assets that would previously expected be available for the application towards the contractual Claims of the SIHNV Financial Creditors and the Intra-Group Creditors over time following the Settlement Effective Date. The associated material improvement in settlement consideration available to MPC Claimants and SIHNV Contractual Claimants would come substantially at the expense of SIHNV Financial Creditors and Intra-Group Creditors.

17. The increased settlement offer and several other amendments to the Steinhoff Group Settlement are set out in a summary term sheet dated July 2021 available at www.steinhoffsettlement.com.
18. The positive developments referred to above have also improved the estimated outcome in a hypothetical liquidation of SIHNV, which is reflected in the Liquidation Comparator. This (improved) estimate is further explained in section 10 below.

2.2.2 Creation of the SIHPL MPC Settlement Fund

19. Whilst SIHPL and SIHNV received positive responses to the increased settlement offer referred to in section 2.2.1, SIHPL and SIHNV concluded that additional support was required to achieve certainty of outcome under the SIHPL Section 155 Proposal proposed in South Africa. Additionally, there remained uncertainty in light of various legal disputes against SIHPL that arose in connection with the settlement arrangements proposed in South Africa (in addition to the Litigation). Therefore, SIHNV and SIHPL announced on 11 August 2021 that SIHPL would make a further and final contribution in the amount of ZAR 3,213,580,773 to the settlement consideration offered solely to the SIHPL MPC Claimants. This additional contribution will strengthen the overall levels of support for the SIHPL Section 155 Proposal. Given the inter-conditionality between both the SIHPL Section 155 Proposal and this SIHNV Composition Plan (see section 2.3 and paragraph 115 below), this support is critical for the successful implementation of the Steinhoff Group Settlement as a whole, and by consequence this SIHNV Composition Plan.
20. This additional contribution, referred to as the SIHPL MPC Settlement Fund, will be allocated proportionately among only the SIHPL MPC Claimants based on the Steinhoff Allocation Plan and under the terms of the SIHPL Section 155 Proposal. All MPC Claimants remain be entitled to recoveries from the SoP Settlement Fund as described below, whilst SIHPL MPC Claimants will additionally be entitled to recoveries from the SIHPL MPC Settlement Fund. The contribution by SIHPL of the SIHPL MPC Settlement Fund does not dilute the SoP Settlement Fund and Reserve Fund available for distribution to the Distribution Creditors as described below.

2.3 Implementation of the Steinhoff Group Settlement

21. It is intended that the Steinhoff Group Settlement is implemented through:
- (i) the approval by the SoP Committee of Representation and confirmation by the District Court of Amsterdam of this SIHNV Composition Plan; and
 - (ii) in parallel, the approval by the relevant classes of creditors of SIHPL and sanctioning by the South African Court of the SIHPL Section 155 Proposal.
22. This SIHNV Composition Plan will govern the treatment of the unsecured non-preferred Claims against SIHNV (par. 52 et seq. below). The SIHPL Section 155 Proposal, once sanctioned by the South African Court, will govern the treatment of certain Claims against SIHPL (including, for the avoidance of doubt, certain claims of the SIHPL Financial Creditors).
23. All MPC Relevant Claims will be settled by consideration provided by SIHNV irrespective of whether the MPC Relevant Claim is against SIHNV or SIHPL. SIHNV will be provided with the necessary funding by SAHPL (for the cash portion of such consideration) and Ainsley (for the share portion of such consideration) (see section 8 below).

2.4 Support and consent from creditor groups

2.4.1 Representative organisations

24. On 27 July 2020, European Investors-VEB (a representative organisation purporting to represent MPC Claimants) announced that it considered the Steinhoff Group Settlement and its implementation to be in the best interest of all parties involved and that it recommends that all of its partners, members and other constituents support the Steinhoff Group Settlement and its implementation. On 31 March 2021, SIHNV announced that four of the Claimant Representatives had confirmed their support for the Steinhoff Group Settlement. On 11 August 2021, SIHNV further announced that Hamilton, one of the Claimant Representatives, had confirmed its in-principle support for the Steinhoff Group Settlement (its final approval of the Steinhoff Group Settlement will be subject to the ongoing Claim review process).
25. The Steinhoff Group Settlement is the result of, amongst other things, discussions and negotiations with certain (other) representative organisations (pars. 13 to 14). SAHPL (or another Steinhoff Group Company) may make a contribution towards the fees of certain representative organisations purporting to represent MPC Claimants (including certain Claimant Representatives) as compensation for:
- (i) the costs related to and associated with the efforts by those Claimant Representatives and their key role in the engagement with the Steinhoff Group with regard to participating in an initial mediation in July 2019, the negotiating, drafting and finalising of the Steinhoff Group Settlement and the engagement with their constituents;
 - (ii) the assistance by those Claimant Representatives in the processing of claims under the Steinhoff Group Settlement; and
 - (iii) the costs related to and associated with the administrative support by those Claimant Representatives in the implementation of the Steinhoff Group Settlement.
26. Any contribution paid by SAHPL (or another Steinhoff Group Company) towards the fees of certain representative organisations as described above does not dilute the SoP Settlement Fund and Reserve Fund available for distribution to the Distribution Creditors as described below.

2.4.2 SIHNV Financial Creditors

27. The Steinhoff Group Settlement requires formal consent from the SIHNV Financial Creditors. By way of a consent request sent on 9 October 2020, the SIHNV Financial Creditors have been asked to agree to, amongst other things, the proposed terms of the Steinhoff Group Settlement and certain amendments of the relevant finance documents (including the extension of the maturity date of their loans to the Steinhoff Group and the granting of security with effect from the Settlement Effective Date, see pars. 111 to 112 below).
28. Since SIHNV did not obtain the requisite majority of creditor votes under one of the relevant finance documents (the NV/SEAG Contingent Payment Undertaking), SIHNV has proposed a compromise and arrangement in respect of certain amendments to the terms of the NV/SEAG Contingent Payment Undertaking to be effected by way of a scheme of arrangement under the laws of England and Wales (the “**UK Scheme**”). At the creditor meeting held on 15 December 2020, the UK Scheme was approved by the requisite majorities of the SIHNV Financial Creditors under the NV/SEAG Contingent Payment

Undertaking. The sanction hearing by the High Court of Justice of England and Wales took place on 26 and 27 January 2021.

29. The UK Scheme has been sanctioned by the High Court of Justice of England and Wales on 5 February 2021 and has become effective on 5 February 2021. Therefore, SIHNV has implemented the required consent from all SIHNV Financial Creditors to, amongst other things, effect the Steinhoff Group Settlement.

2.4.3 The Settling D&Os, the D&O Insurers and the Deloitte Firms

30. SIHPL, SIHNV, the Deloitte Firms, the Settling D&Os and the D&O Insurers have each made considerable efforts, financially and in the expenditure of time and costs, to achieve a global and final resolution and closure of all present and potential future Litigation including potential counterclaims and recourse claims between them and to assist in progressing an all embracing and inclusive settlement to the greatest extent possible. These have resulted in SIHPL, SIHNV, the Deloitte Firms, the Settling D&Os and the D&O Insurers having entered into the Steinhoff Settlement Support Agreement (the “SSSA”).

31. Under the terms of the SSSA, subject to the fulfilment of certain conditions and in exchange for releases as referred to in par. 32:

- (i) the Deloitte Firms, the D&O Insurers and the Settling D&Os have agreed to support the Steinhoff Group Settlement to compensate for losses suffered by SIHPL, SIHNV, other Steinhoff Group Companies, the MPC Claimants and some Contractual Claimants in relation to the Events and/or Allegations by, among other things, the Deloitte Firms offering an aggregate amount of up to EUR 55.34 million and the D&O Insurers and the Settling D&Os offering an aggregate amount of up to 55.5 million, each for incremental distribution by SRF to the MPC Claimants pursuant to the terms of the Deloitte Market Purchase Claimants Offer and the D&O Insurers Market Purchase Claimants Offer and an aggregate amount of EUR 15 million each (EUR 30 million in total) for distribution by SRF to certain Contractual Claimants as the Deloitte Steinhoff Additional Support Offer and the D&O Steinhoff Additional Support Offer in accordance with to the terms of the SSSA and the SRF and Claims Administration Conditions;
- (ii) the Deloitte Firms, the D&O Insurers and the Settling D&Os have further agreed to provide additional support to the Steinhoff Group Settlement by, among other things:
 - (a) releasing any Claims, including potential recourse Claims, each of them might have against the other of them in relation to the Allegations and/or the Events, as well as against SIHPL and SIHNV and other Steinhoff Group Companies under the terms set out in the SSSA; and
 - (b) making a contribution to SRF in connection with the costs of SRF;

(together, the “**Joint Steinhoff Settlement Support**”).

32. The Deloitte Firms, the D&O Insurers and the Settling D&Os are only willing to provide the Joint Steinhoff Settlement Support in exchange for releases in respect of Claims in respect of all matters relating (directly or indirectly) to the Events and/or Allegations – all as set out in detail in and under the terms of the SSSA and (to the extent applicable) in other agreements as referred to in Clause 12.7 – from SIHPL, SIHNV, certain other Steinhoff Group Companies, the SoP Creditors and each other.

33. SIHPL and SIHNV, having considered the Joint Steinhoff Settlement Support and the alternative options available to SIHPL, SIHNV, other Steinhoff Group Companies and the SoP Creditors, including, amongst others, instituting or pursuing Claims against the Steinhoff D&O Beneficiaries or Audit Firms or other Deloitte Beneficiaries in relation to the Events and/or Allegations and having concluded that the Joint Steinhoff Settlement Support:
- (i) constitutes a sufficient contribution to the Steinhoff Group Settlement and an incremental contribution to the MPC Claimants and to the Contractual Claimants; and
 - (ii) is in the best interests of SIHPL, SIHNV, other Steinhoff Group Companies and the SoP Creditors,

believe that the release of the Steinhoff D&O Beneficiaries and the Audit Firms and other Deloitte Beneficiaries from their respective Claims from SIHPL, SIHNV, other Steinhoff Group Companies, the SoP Creditors and each other in respect of all matters relating (directly or indirectly) to the Events and the Allegations – all as set out in detail in and under the terms of the SSSA and (to the extent applicable) in other agreements as referred to in Clause 12.7 – in exchange for the Joint Steinhoff Settlement Support is beneficial to SIHPL, SIHNV, other Steinhoff Group Companies and the SoP Creditors.

2.5 Objectives and principles of the Steinhoff Group Settlement

34. SIHNV and SIHPL strongly believe that the Steinhoff Group Settlement constitutes the best achievable offer to its creditors and represents a fair and equitable allocation of compensation in connection with the Events and the Allegations for the MPC Claimants and certain Contractual Claimants. This fair and equitable allocation is based on several factors, including a market standard approach to market purchase claim loss allocation methodology and, in connection with the Contractual Relevant Claims, legal principles bearing on rescissionary claim loss methodology. Additionally, this SIHNV Composition Plan compromises the Claims of the Non-Qualifying Claimants and the Contingent Creditors to the extent that these Claims are bindingly determined or resolved (as described below).
35. The primary objectives of the management and supervisory board of SIHNV and the board of SIHPL in formulating the Steinhoff Group Settlement have been:
- (i) to achieve a settlement of litigation claims that allocates the available value and assets of SIHNV and SIHPL fairly and equitably among the parties who have claims against SIHNV and SIHPL;
 - (i) to achieve a settlement that fairly reflects the compromise of legal issues, priorities of payment, availability of alternative recoveries and other issues faced by the litigants on their own account and in relation to others;
 - (ii) to further stabilise the Steinhoff Group and to maximise the value available to be distributed to its stakeholders by marshalling cash, preserving the going concern value of the Steinhoff Group's businesses and avoiding further litigation costs;
 - (iii) to ensure the continuity of the Steinhoff Group's operations in order to safeguard the jobs of the thousands of employees of the Steinhoff Group's underlying businesses and, by preserving the value of those underlying businesses, to protect the broader universe of stakeholders; and
 - (iv) to conclude and to implement the settlement of the legacy claims on the terms of the Steinhoff Group Settlement, as soon as possible.

3 Filing and voting

36. The District Court of Amsterdam has appointed an SoP Committee of Representation. This means that the SoP Committee of Representation, instead of individual SoP Creditors, will vote on this SIHNV Composition Plan in a Voting Hearing **on 3 September 2021 at 09.30 (CET) at the District Court of Amsterdam, located at Parnassusweg 280 in Amsterdam, The Netherlands.**
37. All SoP Creditors were obliged to file their Claims with the Claims Administrator in the SoP no later than on the Voting Record Date (15 June 2021) as ordered by the District Court of Amsterdam. The purpose of that filing was primarily to provide the SoP Administrators and the SoP Committee of Representation with an approximation of the general body of SoP Creditors. Under Dutch law, SoP Creditors are still allowed to file their claims :
- (i) until two days before the Voting Hearing, if the relevant SoP Creditor so requests at the Voting Hearing and neither the SoP Administrators nor any of the SoP Creditors present object; or
 - (ii) at the Voting Hearing, if filed by an SoP Creditor residing outside of the European part of the Netherlands and provided that SoP Creditor was unable to file its Claim earlier.
38. SoP Creditors that file their Claim after the Voting Record Date are deemed – by virtue of their filing – to also make a request at the Voting Hearing to be admitted on the list of Claims. To the extent required, such SoP Creditors may be asked to provide a proxy to effect such request. In order to prevent any dispute or uncertainty in this respect, SoP Creditors that still wish to file their Claims in the SoP are urged to do so as soon as possible, and in any event before 19 August 2021 c.o.b. Please consult www.steinhoffsettlement.com for further information
39. The SoP Administrators will prepare a list of the Claims that are timely filed, listing the names and addresses of the creditors, the amount and description of the Claims and whether and to what extent the Claims are admitted or contested by the SoP Administrators. This list will be available for public inspection free of charge at the court registry of the District Court of Amsterdam during the seven days preceding the Voting Hearing. Filed Claims of SIHNV MPC Claimants will not be placed on this list as per the order of the District Court of Amsterdam on 28 May 2021 (which order is available on www.steinhoffsettlement.com).
40. Please note that the indication of Claims and their respective amounts on this list does not establish the validity of a Claim. Claims filed with the Claims Administrator in the SoP are not subject to a full claims review process by the SoP Administrators, the Supervisory Judges or the District Court of Amsterdam. Any initial determinations made by the Claims Administrator and/or the SoP Administrators about the value of the Claim for the purposes of admitting that Claim in the SoP will be based on a provisional assessment only. For these reasons, the inclusion of a Claim on this list as 'admitted' (*erkend*) (i.e. an Admitted Claim):
- (i) does not cause that Claim to be bindingly determined between SIHNV and the respective SoP Creditor;³
 - (ii) does not cause that Claim to be accepted for the purposes of receiving settlement consideration under the terms of this SIHNV Composition Plan; and

³ Dutch Supreme Court 4 February 2005, ECLI:NL:HR:2005:RA4483, NJ 2005/362 (*UPC/Movieco*), par. 3.5.

(iii) does not prejudice SRF's decision as to whether or not to accept a Claim (in full or in part).

41. This SIHNV Composition Plan is adopted if it is approved by a qualified majority of at least 75% of attending members of the SoP Committee of Representation at the Voting Hearing. A copy of the official record of the Voting Hearing containing (amongst other things) the outcome of the vote will be available for public inspection free of charge at the court registry of the District Court of Amsterdam for eight days. The outcome of the vote will also be announced on www.steinhoffsettlement.com.

4 Who may file an SIHNV MPC Relevant Claim?

42. This SIHNV Composition Plan is proposed to the SoP Creditors, which are all holders of ordinary non-preferred Claims against SIHNV which can be subject to the SoP in accordance with Section 232 DBA. All SoP Creditors are eligible to file their Claims with the Claims Administrator in the SoP (see section 3 above), and certain SoP Creditors (the Distribution Creditors, as defined below) are eligible to file their Claims on or before the Bar Date to receive settlement compensation (see section 6 below).
43. With respect to the SIHNV MPC Relevant Claims, this means that only creditors holding such Claims may exercise filing rights under this SIHNV Composition Plan. This key concept requires some clarification.
44. First of all, it is important to emphasise that this SIHNV Composition Plan is offered to creditors, rather than (current) shareholders of SIHNV. This includes creditors that hold SIHNV MPC Relevant Claims. In order for a person to qualify as holding an SIHNV MPC Relevant Claim, they must have purchased SIHNV Shares on the open markets prior to 5 December 2017 c.o.b. and continued to hold those shares until 5 December 2017 c.o.b., regardless of whether that person has sold or otherwise lost ownership of those shares after 5 December 2017 c.o.b.⁴ The holder of an SIHNV MPC Relevant Claim is therefore a creditor, but not necessarily a (current) shareholder of SIHNV. Conversely, an SIHNV shareholder is not necessarily a creditor in respect of an SIHNV MPC Relevant Claim.
45. Secondly, it is possible that the ownership of the relevant shares with respect to an SIHNV MPC Relevant Claim is (or was) split between multiple parties. This is the case when a third party enjoys the economic benefits of the ownership of the shares (the 'beneficial owner'), even though the legal ownership title is in the name of another party (the 'legal owner'). For example, a retail investor may use a trust, nominee or broker to buy and sell shares and act as legal owner of such shares, but the retail investor ultimately bears costs (e.g. purchases) and receives the benefits (e.g. profits and dividends) arising from those shares.
46. In such cases, under the terms of this SIHNV Composition Plan, the creditor holding an SIHNV MPC Relevant Claim is considered to be the beneficial owner of the relevant shares, not the legal owner. The reason for this is that the beneficial owner bears the economic risk of the investments made in the name of the legal owner and is therefore the party that actually and directly suffered the (alleged) loss as a result of purchases based on, among other things, alleged misstated financial disclosures by SIHNV. It is possible that other parties suffer an indirect loss that is further removed from the investments made in the name of the legal owner. These parties may include participants in an investment fund or recipients

⁴ The holder of an SIHNV MPC Relevant Claim that transfers the relevant shares (originally purchased before 5 December 2017 c.o.b.) to a third party does not automatically transfer the SIHNV MPC Relevant Claim as well, unless such Claim is transferred in its own right, such as through a valid assignment of such claim.

of a pension fund. These parties are not considered to be beneficial owners of the relevant shares and cannot qualify as creditors holding SIHNV MPC Relevant Claims.

47. There may be many variations of circumstances in which a party qualifies as the beneficial owner of the relevant shares (and consequently as a creditor) for the purposes of this SIHNV Composition Plan. These depend on, amongst other things, the location of the securities account, the entities involved and the type of fund. Below are some examples to illustrate how the beneficial owner is identified in practice:
- (i) **Nominees, Trustees, Agents:** e.g. “ABC Investment Bank – Nominee (JP Morgan, Charles Schwab, State Street, JTSB) – Nominee Holding Shares”. Any such party is considered the ‘legal owner’ of the relevant shares.
 - (ii) **Financial intermediary between legal and beneficial owner:** e.g. custodians, asset managers, investment bankers, such as “123 Wealth Advisor”. Any such party is considered to provide the account where exchange traded fund (ETF) transactions are made, and is not considered to be the legal or beneficial owner of the relevant shares.
 - (iii) **(Mutual) unit trust funds:** e.g. “XYZ ETF Fund”. This is the fund that the relevant shares were purchased in. Any such party is considered to be the ‘beneficial owner’ of the relevant shares.
 - (iv) **Not considered beneficial ownership:** e.g. participants in or beneficiaries of a fund (pensioners, investors in a fund, etc.), such as “John Doe (Purchaser of shares in XYZ ETF Fund)”. Any such party is not considered to be the legal or beneficial owner of the relevant shares.
48. Of these parties, only the (mutual) unit trust fund (sub-paragraph 47(iii)) would be considered the beneficial owner of the relevant shares and consequently the creditor for the purposes of this SIHNV Composition Plan.
49. The foregoing does not prevent a beneficial owner from authorising the respective legal owner (or another party) to, on its behalf, file its SIHNV MPC Relevant Claim under the terms of this SIHNV Composition Plan on or before the Bar Date. This requires a valid authorisation to that effect, such as a power of attorney.
50. The foregoing complications do not arise if the party that holds (or held) the relevant shares in respect of the SIHNV MPC Relevant Claim is (or was) both the legal and beneficial owner.
51. The Claims Administrator will review whether a party filing an (alleged) SIHNV MPC Relevant Claim is indeed the creditor of that Claim. If a party files the (alleged) SIHNV MPC Relevant Claim on behalf of another party, the Claims Administrator will require proof of a valid authorisation.

5 Terms of this SIHNV Composition Plan

5.1 Introduction

52. This SIHNV Composition Plan will allow SIHNV to resolve its legacy and contingent Claims in the most efficient and expedient manner by establishing:
- (i) a fair and equitable basis for the *pari passu* entitlement of the Distribution Creditors to distribution of the SoP Settlement Fund and the Reserve Fund, whereby the *pari passu* entitlement has been preserved to the greatest extent practicable;

- (ii) a framework that enables SRF to determine each SIHNV MPC Claimant's or SIHNV Contractual Claimant's filed Claim, distribute that SIHNV MPC Claimant's or SIHNV Contractual Claimant's share of the SoP Settlement Fund and refer Disputed Claims to be resolved on a binding basis by an independently appointed Dispute Committee;
- (iii) a framework that enables SIHNV to distribute each Non-Qualifying Claimant's or Contingent Creditor's share of the Reserve Fund, to the extent that their Claims are bindingly determined or resolved; and
- (iv) the preservation of:
 - (a) the SIHNV CPU Claims of the SIHNV Financial Creditors in accordance with the terms of such SIHNV CPU Claims;
 - (b) the Intra-Group Claims of the Intra-Group Creditors in accordance with the terms of such Intra-Group Claims; and
 - (c) the Other Unsecured Claims of the Other Unsecured Creditors in accordance with the terms of such Other Unsecured Claims.

53. Additionally, SIHNV proposes this SIHNV Composition Plan to fulfil its obligation towards the other parties to the SSSA, so as to obtain and implement binding settlements with the Deloitte Firms, the D&O Insurers and the Settling D&Os.

5.2 The Distribution Creditors

5.2.1 Groups of Distribution Creditors

54. Under the terms of the Steinhoff Group Settlement and this SIHNV Composition Plan, the following SoP Creditors are entitled to receive a payment based on their Claim Value from the SoP Settlement Fund as described in pars. 59 to 71 below:

- (i) the SIHNV MPC Claimants; and
- (ii) the SIHNV Contractual Claimants.

55. Separately, this SIHNV Composition Plan addresses the Claims of the Non-Qualifying Claimants and the Contingent Creditors. The Non-Qualifying Claims are a limited number of Claims which have been (or are threatened to be) instituted against SIHNV and/or other Steinhoff Group Companies and which SIHNV disputes. The Contingent Claims are Claims which do not fall under any other category of Claims as listed under this SIHNV Composition Plan. These Contingent Claims may include (but are not necessarily limited to):

- (i) Claims that are currently unknown to SIHNV or not asserted against SIHNV;
- (ii) Claims that are contingent upon the occurrence of future events;
- (iii) Claims of former members of the management board or supervisory board of SIHNV (other than the Settling D&Os) arising from the indemnity granted by SIHNV pursuant to Article 31 of the SIHNV Articles of Association;⁵
- (iv) Claims arising from the acquisition of Steinhoff Bonds or shares in Steinhoff Africa Retail Ltd. that do not qualify as MPC Relevant Claims; and

⁵ For the avoidance of doubt, Claims of **current** members of the management board and supervisory board of SIHNV arising from the indemnity granted by SIHNV in Article 31 of the SIHNV Articles of Association do not qualify as a Contingent Claim, as these Claims are included in the scope of the Other Unsecured Claims.

- (v) (recourse and/or subrogation) Claims for the payment of contribution from SIHNV.
56. The Non-Qualifying Claimants and the Contingent Creditors are not recognised by SIHNV and are in principle not entitled to receive a payment in respect of their Claims, unless the Claim Value of their Claim is:
- (i) determined on a binding basis by the court of a competent jurisdiction in a final and unappealable judgment which is recognised and enforceable in the Netherlands;
 - (ii) determined on a binding basis in a final decision pursuant to an alternative dispute resolution process as agreed between the relevant Non-Qualifying Claimant and/or Contingent Creditor and SIHNV, and which is no longer subject to annulment; or
 - (iii) otherwise agreed in a settlement agreement between the relevant Non-Qualifying Claimant and/or Contingent Creditor and SIHNV.
57. If the Claim Value of the Claim of a Contingent Creditor or Non-Qualifying Claimant is determined or agreed in the manner set out in par. 56 in accordance with this SIHNV Composition Plan, the relevant Contingent Creditor or Non-Qualifying Claimant is entitled to receive a payment by SIHNV based on such Claim Value from a Reserve Fund to be established by SIHNV as described in pars. 62 to 73 below, subject to Clauses 9 to 12. Contingent Creditors and the Non-Qualifying Claimants are not entitled to receive any payment by SRF from the SoP Settlement Fund.
58. The SIHNV MPC Claimants, SIHNV Contractual Claimants, Contingent Creditors and Non-Qualifying Claimants are together referred to as the "**Distribution Creditors**".

5.2.2 The SoP Settlement Fund

59. Pursuant to this SIHNV Composition Plan and an agreement to be concluded between SIHNV and SRF, SIHNV shall make available a settlement consideration in an amount equivalent to EUR 612,620,000. This consideration is defined in Clause 6.1.1(i) as the Gross Settlement Fund. The Gross Settlement Fund less certain costs and expenses is defined in Clause 6.1.1(i) as the SoP Settlement Fund. The SoP Settlement Fund shall be the total settlement consideration in respect of exclusively:
- (i) all MPC Relevant Claims, irrespective of whether the MPC Relevant Claim is against SIHNV or SIHPL and whether the MPC Relevant Claim is held by an SIHNV MPC Claimant or a SIHPL MPC Claimant; and
 - (ii) all SIHNV Contractual Claims.
60. The distribution of the SoP Settlement Fund is subject to the provisions of this SIHNV Composition Plan and the SIHPL Section 155 Proposal jointly, whereby:
- (i) this SIHNV Composition Plan sets out the plan for distributions from the SoP Settlement Fund to the SIHNV MPC Claimants and the SIHNV Contractual Claimants; and
 - (ii) the SIHPL Section 155 Proposal sets out the plan for distributions from the SoP Settlement Fund to the SIHPL MPC Claimants.
61. The availability of the SoP Settlement Fund for distribution to, amongst others, all MPC Claimants (i.e. comprising both SIHNV MPC Claimants and SIHPL MPC Claimants) does not cause SIHPL MPC Claimants to qualify as SoP Creditors.

5.2.3 The Reserve Fund

62. Pursuant to this SIHNV Composition Plan, SIHNV will establish a separate Reserve Fund for payments in respect of the Non-Qualifying Claims and the Contingent Claims, if and to the extent that the Claim Value of a Non-Qualifying Claim or Contingent Claim is bindingly determined or resolved. Following the Bar Date and depending on the Non-Qualifying Claims and Contingent Claims that have been filed on or before the Bar Date (if any), SIHNV will contribute amounts to the Reserve Fund to the extent appropriate to cover the payments in respect of established or agreed Non-Qualifying Claims or Contingent Claims, to safeguard any proper performance of this SIHNV Composition Plan in respect of such Non-Qualifying Claims or Contingent Claims, if any. For the avoidance of doubt, SRF will have no role in maintaining or making distributions from the Reserve Fund.

5.2.4 The Bar Date

63. As a condition to receiving settlement consideration under this SIHNV Composition Plan, each Distribution Creditor must, on or before the Bar Date, file its Claim in the manner as prescribed in this SIHNV Composition Plan.⁶ The Bar Date is the date falling three months after the Settlement Effective Date. Any Claim for payment from the SoP Settlement Fund or Reserve Fund arising from this SIHNV Composition Plan shall be subject to an expiry period (*vervaltermijn*) which ends on the Bar Date.

5.2.5 Distribution methodology for SIHNV MPC Claimants and SIHNV Contractual Claimants

64. Each MPC Claimant and SIHNV Contractual Claimant whose Claim is accepted under the terms of this SIHNV Composition Plan and/or the SIHPL Section 155 Proposal will be entitled to a *pro rata* share of the SoP Settlement Fund in proportion to its Claim Value as determined by SRF. Prior to making distributions, SRF will make appropriate reservations from the SoP Settlement Fund in respect of Disputed Claims.
65. Based on these principles, the payment of each SIHNV MPC Claimant and SIHNV Contractual Claimant from the SoP Settlement Fund is calculated according to the following formula:

⁶ If a Distribution Creditor already holds an Admitted Claim by virtue of its participation in the SoP process (see par.37), it is not required to refile its Claim.

A/(B+C) x D where:

A = the Claim Value of an SIHNV MPC Claimant or SIHNV Contractual Claimant

B = the total Claim Value of all Claims of MPC Claimants and SIHNV Contractual Claimants that are:

- (i) filed pursuant to Clause 7 of this SIHNV Composition Plan and/or the SIHPL Section 155 Proposal (as applicable) and in accordance with the SRF and Claims Administration Conditions, and
- (ii) accepted pursuant to Clause 8 of this SIHNV Composition Plan and/or the SIHPL Section 155 Proposal (as applicable)

C = the total Claim Value of all the Disputed Claims, which for each Disputed Claim will be the amount as asserted in accordance with the Inflation Methodology or Rescission Methodology (as applicable)

D = the SoP Settlement Fund (i.e. up to EUR 612,620,000)

Example A*

If the actual value of the timely filed and accepted Claims is EUR 6,300,000,000, and reservations are made in respect of a further asserted or estimated value of EUR 700,000,000 in Claims which are disputed, an SIHNV MPC Claimant with a determined Claim Value of EUR 1,500,000 will be entitled to payment as follows:

$$\frac{EUR\ 1,500,000}{EUR\ 6,300,000,000 + EUR\ 700,000,000} \times EUR\ 612,620,000$$
$$= EUR\ 131,276$$

This would represent a recovery of approximately 8.8% on the Claim Value of the SIHNV MPC Claimant.

Example B*

If the actual value of the timely filed and accepted Claims is EUR 600,000,000, and reservations are made in respect of a further asserted or estimated value of EUR 5,400,000,000 in Claims which are disputed, an SIHNV MPC Claimant with a determined Claim Value of EUR 1,500,000 will be entitled to payment as follows:

$$\frac{EUR\ 1,500,000}{EUR\ 5,400,000,000 + EUR\ 600,000,000} \times EUR\ 612,620,000$$
$$= EUR\ 153,155$$

This would represent a recovery of approximately 10.2% on the Claim Value of the SIHNV MPC Claimant.

***Note:** The EUR 612,620,000 settlement fund reflected in these examples *may* decrease in light of deductions for certain costs and expenses, such as negative interest rate charges.

66. The actual recovery of each SIHNV MPC Claimant and SIHNV Contractual Claimant will therefore depend on the total Claim Value of the Claims that are in fact timely filed and accepted under the terms of this SIHNV Composition Plan and the SIHPL Section 155 Proposal (as applicable) by the SIHNV MPC Claimants, SIHPL MPC Claimants and SIHNV Contractual Claimants. SIHNV estimates that the total Claim Value of all SIHNV MPC Relevant Claims and SIHNV Contractual Claims that may be timely filed and accepted is approximately EUR 6,628,000,000.⁷ Under that estimation, the recovery of each SIHNV MPC Claimant and SIHNV Contractual Claimant would be approximately 9.2%.⁸ However, as the data available to SIHNV and its advisers does not enable them to calculate the total amount of MPC Relevant Claims with precision, no definite assurance can be given in that respect.
67. The terms and conditions of the *pro rata* distribution of the SoP Settlement Fund and the reservation of amounts in respect of Disputed Claims are set out in Clause 0 of this SIHNV Composition Plan, clauses 17 and 19 of the SIHPL Section 155 Proposal and the Steinhoff Allocation Plan.

5.2.6 Distribution methodology for Non-Qualifying Claimants and Contingent Creditors

68. Each Non-Qualifying Claimant and Contingent Creditor whose Claim is timely filed on or before the Bar Date and established or agreed between the relevant parties will be entitled to a payment by SIHNV from the Reserve Fund. This amount will be a proportion of their determined or agreed Claim Value, which proportion will be equal to the proportion that the SIHNV MPC Claimants and SIHNV Contractual Claims receive on their Claim Value pursuant to Clause 7.2.1.

5.2.7 Equal recoveries for all Distribution Creditors

69. Based on the above, all Distribution Creditors (with accepted Claims) will achieve in principle an equal recovery on their respective Claim Values.

5.2.8 Composition of settlement consideration offered to Distribution Creditors

70. The total settlement consideration will be paid 50% in cash and 50% in PPH Shares at a deemed settlement price of ZAR 15 per share as at the Settlement Effective Date, subject to SIHNV's right, at its option, to settle the settlement consideration in a greater proportion, or the full amount, in cash.⁹ SIHNV in its sole discretion shall also have the option to settle the settlement consideration in a greater proportion of cash for the benefit of Qualifying

⁷ Claim Values for the SIHNV MPC Claimants are estimated using the Inflation Methodology and Claim Values for SIHNV Contractual Claimants are estimated using the Rescission Methodology. Please note that the Claim Values in this par. 66 differ from those in the Liquidation Comparator due to the fact that the Claim Values in the Liquidation Comparator include statutory interest (whereas for settlement purposes, statutory interest shall neither be included nor applied in the calculation of Claim Values, see par. 1.8 of the Valuation Principles).

⁸ SIHPL MPC Claimants, SIHNV MPC Claimants and SIHNV Contractual Claimants recover at an equal rate based on the December 2017 value of their Claims.

The estimated recovery of *all* MPC Claimants and SIHNV Contractual Claimants sharing the EUR 612.62 million based on nominal 5 December 2017 Claim Values would be: EUR 612,620,000 / EUR 6,628,000,000 * 100% = 9.2%.

⁹ Please note that the quoted value at the JSE of the PPH Shares as at the Settlement Effective Date may be less than or greater than ZAR 15 per share and that, both before and after the Settlement Effective Date, the trading value of the PPH Shares can be expected to fluctuate. No representation is made as to what the value of the PPH Shares will be at the Settlement Effective Date, at the time any PPH Shares are distributed for the benefit of the Distribution Creditors or at any other time.

Ineligible Claimants. Any and all risks in connection with such an arrangement are for the account of the relevant Qualifying Ineligible Claimants, including risks relating to the price and execution of such arrangement. No restriction on future sales applies in respect of PPH Shares transferred to MPC Claimants.

71. PPH is a South African incorporated holding company of a group of discount variety retailers, trading through various brands from stores in Africa. All shares in PPH are listed on the JSE. As of the date of this SIHNV Composition Plan, SIHNV holds approximately 2,479,994,370 shares in PPH (approximately 68.36% of the total issued share capital of PPH) through its indirect subsidiary, Ainsley. Ownership of shares in PPH is not restricted to South African residents or institutional investors. For PPH's financial results, please refer to its announcements on its website: www.pepkor.co.za. SIHNV will continue to hold at least 50% of the total issued share capital of PPH.
72. The PPH Shares have not been, and will not be, registered under the US Securities Act of 1933, as amended (the "**Securities Act**") or under the relevant securities laws of any state or territory or other jurisdiction of the United States and will not be listed on any stock exchange in the United States. The PPH Shares are expected to be distributed to SoP Creditors in the United States in reliance upon the exemption from the registration requirements of the Securities Act provided by Section 3(a)(10) thereof, or pursuant to another exemption from, or in a transaction not subject to, the registration requirements of the Securities Act.
73. SoP Creditors outside the United States should consult their independent professional advisers as to whether they require any governmental or other consents or need to observe any other formalities to enable them to receive the PPH Shares to which they are entitled (if any) under this SIHNV Composition Plan. If a SoP Creditor is in any doubt as to their eligibility to receive PPH Shares (if any) they should contact their independent professional adviser immediately.

5.3 The SIHNV Financial Creditors and the Intra-Group Creditors

74. The SIHNV Financial Creditors and the Intra-Group Creditors (who are listed in **Schedule 4** (*List of Intra-Group Creditors*)) will not be eligible to receive any distribution from the SoP Settlement Fund or Reserve Fund in respect of their SIHNV CPU Claims and their Intra-Group Claims, respectively. Instead, they will maintain certain contractual rights against SIHNV under the terms and conditions of the SIHNV Contingent Payment Undertakings and the Intra-Group Loans (as applicable).¹⁰
75. The SIHNV Contingent Payment Undertakings were concluded in the context of the Financial Restructuring. As part of an effort to bring financial stability to the Steinhoff Group, SIHNV negotiated the Financial Restructuring with the SIHNV Financial Creditors. The Financial Restructuring provided for (amongst other things):
 - (i) an extension of the final repayment date of the financial obligations of the primary debtors under the Steinhoff Group's largest financial indebtedness to 31 December 2021; and

¹⁰ SIHNV Financial Creditors who are Upington Margin Lenders may, under the terms of this SIHNV Composition Plan and in their capacity as Non-Qualifying Claimants, receive a distribution on the Upington Lender Claim. Reference is made to par. 4 of the Valuation Principles.

- (ii) the conclusion of the SIHNV Contingent Payment Undertakings in replacement for the SIHNV Financial Creditors' rights arising under the guarantees originally provided to them by SIHNV and waived as part of the Financial Restructuring.
- 76. The SIHNV Contingent Payment Undertakings stipulate that the SIHNV Financial Creditors may demand that SIHNV pay the outstanding principal amounts owed by the primary debtors to the SIHNV Financial Creditors, provided that no such instruction may be given before the earlier of 31 December 2021 and the date on which a notification of default is delivered to SIHNV in accordance with such SIHNV Contingent Payment Undertakings.
- 77. Additionally, the NV/Hemisphere Contingent Payment Undertaking stipulates that the SIHNV Financial Creditors party thereto will receive a payment of EUR 66 million (payable 50% in cash and 50% in PPH Shares, at a deemed settlement price of ZAR 15 per share). The inclusion of this payment provision was the result of a commercial bargain. Failure to pay that amount when due would constitute a default under the NV/Hemisphere Contingent Payment Undertaking. As such a failure would also cause a cross-default under other SIHNV Contingent Payment Undertakings, the rights to receive payment under the NV/Hemisphere Contingent Payment Undertaking will be preserved in this SIHNV Composition Plan. Other SIHNV Contingent Payment Undertakings were concluded later than the NV/Hemisphere Contingent Payment Undertaking, and for that reason set out different terms which did not include a comparative payment provision.
- 78. The Intra-Group Creditors have contractual Claims against SIHNV under the terms of the Intra-Group Loans. The Intra-Group Loans were originally concluded in the ordinary course of SIHNV's business but were extended until 31 December 2021 as part of the Financial Restructuring.
- 79. The justification for the (partial) preservation of rights under the SIHNV Contingent Payment Undertakings and the Intra-Group Loans pursuant to this SIHNV Composition Plan is as follows:
 - (i) The SIHNV Financial Creditors' Claims against SIHNV under the SIHNV Contingent Payment Undertakings and the Intra-Group Creditors' Claims against SIHNV under the Intra-Group Loans are already the result of a compromise reached pursuant to the Financial Restructuring (see par. 78 above). Without the Financial Restructuring, it is unlikely that SIHNV would have been in the financial position to offer this SIHNV Composition Plan and the Distribution Creditors would not have been able to receive the same (if any) recovery on their Claims against SIHNV. This represents significant value to SIHNV and the Distribution Creditors.
 - (ii) The SIHNV Contingent Payment Undertakings were, and are, an essential component in ensuring the stability of the Steinhoff Group. They were aimed at providing stability by creating an extended period to ensure fair treatment across the various financial creditor groups, allow management to focus on delivering value at the Steinhoff Group's operating businesses and achieve a deleveraging of the Steinhoff Group and a detailed assessment of all contingent litigation Claims. The SIHNV Contingent Payment Undertakings, and the Financial Restructuring more broadly, have therefore significantly *improved* the prospects of recovery of SIHNV Financial Creditors against their primary debtors within the Steinhoff Group and, consequently, *decreased* the residual value of the SIHNV CPU Claims against SIHNV. This represents significant recovery value to SIHNV and its (other) SoP Creditors.

- (iii) If SIHNV were to seek to (further) compromise the rights of the SIHNV Financial Creditors and the Intra-Group Creditors in the same manner as the Distribution Creditors (and in the absence of the aforementioned maturity extension), the payment of the requisite settlement consideration for these SIHNV Financial Creditors and Intra-Group Creditors would likely become unaffordable for the Steinhoff Group. However, subject to the Steinhoff Group Settlement and the UK Scheme becoming effective, the SIHNV Financial Creditors and the Intra-Group Creditors are prepared to grant a further extension of the maturities under the SIHNV Contingent Payment Undertakings and the Intra-Group Loans to 30 June 2023, with the ability to obtain another six months' extension (par. 111 below). These maturity extensions granted by the SIHNV Financial Creditors and the Intra-Group Creditors therefore contribute to the affordability of the Steinhoff Group Settlement and provide additional financial safety for the Steinhoff Group in order to successfully implement the Steinhoff Group Settlement. This represents significant value to SIHNV and the Distribution Creditors.
- (iv) Without the support of the SIHNV Financial Creditors and Intra-Group Creditors, there is a risk that this SIHNV Composition Plan would not be adopted so that the Steinhoff Group Settlement would not be implemented (which could cause insolvency proceedings to be opened against SIHNV, resulting in an overall lower recovery rate as compared to the implementation of the Steinhoff Group Settlement, see section 10 below). This risk would be particularly acute if any attempt were made to require the SIHNV Financial Creditors and the Intra-Group Creditors to submit to a further compromise of their rights, beyond the compromise already agreed to referenced in paragraph (i) above and in addition to the release referenced in Clause 12.1.

80. The SIHNV Financial Creditors' and the Intra-Group Creditors' rights against SIHNV will only be preserved with respect to any contractual Claims they may have under the terms and conditions of the SIHNV Contingent Payment Undertakings and the Intra-Group Loans, respectively. To the extent that they have other (ordinary non-preferred) Claims against SIHNV, including, but not limited to, non-contractual Claims such as Claims arising out of tort, such Claims will not fall within the scope of the preservation of their respective rights and will be waived or compromised as contemplated by this SIHNV Composition Plan.¹¹ For the avoidance of doubt, to the extent an SIHNV Financial Creditor is also an SIHNV MPC Claimant, it will have the right to receive settlement consideration from the SoP Settlement Fund in its capacity as SIHNV MPC Claimant under the terms of this SIHNV Composition Plan.

5.4 The Other Unsecured Creditors

81. The Other Unsecured Creditors represent a combination of trade and *de minimis* Claims owed to essential service providers, insurance creditors, members of SIHNV's boards (for remuneration and management fees to its current members) and other administrative costs. The payment of those Claims will continue to be required going forward for SIHNV to operate as a going concern and to implement and perform this SIHNV Composition Plan. The Other Unsecured Creditors also include non-Dutch regulatory and tax authorities.

¹¹ Such waiver will not apply to any Claims of SIHNV Financial Creditors who are Upington Margin Lenders that constitute the Upington Lender Claim, subject to the conditional settlement referenced in paragraph 4.3 of the Valuation Principles.

82. A list of known Other Unsecured Creditors as at 15 February 2021 is included as **Schedule 5** (*List of Other Unsecured Creditors*).
83. A failure to pay such Other Unsecured Creditors may result in essential services being withdrawn, foreign authorities taking public law measures against SIHNV and/or a failure to fund the payment to SIHNV MPC Claimants and SIHNV Contractual Claimants by SRF. In view of the total amount of Claims (allegedly) owed by SIHNV to the SoP Creditors (valued at approximately EUR 14,912,000,000, excluding the Other Unsecured Claims)¹² relative to the total amount owed by SIHNV to Other Unsecured Creditors (approx. EUR 4,500,500 in respect of currently known Other Unsecured Creditors, see **Schedule 5** (*List of Other Unsecured Creditors*)), it is clear that paying such Other Unsecured Creditors in full will only marginally affect the recovery of the other SoP Creditors, whereas not paying them could have a material adverse, if not fatal, effect on the successful execution and performance of this SIHNV Composition Plan by SIHNV. Accordingly, the rights of the Other Unsecured Creditors will be preserved under this SIHNV Composition Plan.

6 Claims Review Process

6.1 SIHNV MPC Claimants and SIHNV Contractual Claimants

84. In order for an SIHNV MPC Claimant or SIHNV Contractual Claimant to receive a distribution under this SIHNV Composition Plan, it must file its Claim on or before the Bar Date with the Claims Administrator as set out in Clause 0 through the submission of a valid Claim Form. If an SIHNV MPC Claimant or SIHNV Contractual Claimant already holds an Admitted Claim pursuant to filing its Claim in the SoP process (see par. 37 above), it is not required to refile its Claim with the Claims Administrator. The Claims Administrator may also receive and review any Claims filed with it prior to the SoP Effective Date.
85. Following the fulfilment of the Conditions Precedent, SRF will, upon the advice of the Claims Administrator, decide (i) whether to accept a filed Claim and (ii) if so, the amount that the relevant SIHNV MPC Claimant or SIHNV Contractual Claimant is entitled to from the SoP Settlement Fund. Clauses 8.4 and 8.5 of this SIHNV Composition Plan in conjunction with schedule 5 (*Dispute Committee Rules*) to the SRF and Claims Administration Conditions provide for a resolution mechanism in the event that the SIHNV MPC Claimant, SIHNV Contractual Claimant or SIHNV disputes either such decision of SRF or if two or more SIHNV MPC Claimants file a duplicate Claim.
86. Subsequently, it is envisaged that SRF shall pay each SIHNV MPC Claimant and SIHNV Contractual Claimant (or their respective duly authorised designated agents or trustees), which has timely and validly filed its Claim as set out in this SIHNV Composition Plan (whose Claim is not subject to dispute), its distribution from the SoP Settlement Fund as soon as reasonably practicable after the Bar Date once all MPC Claimants and SIHNV Contractual Claimants have been notified of their Claim Determination and the Claim Determinations (that are not disputed) have become final, subject to the SRF and Claims Administration Conditions. This SIHNV Composition Plan and the Steinhoff Allocation Plan provide for a reservation of part of the SoP Settlement Fund for Claims of SIHNV MPC Claimants and

¹² Claim Values for the MPC Claimants are estimated using the Inflation Methodology and Claim Values for SIHNV Contractual Claimants are estimated using the Rescission Methodology, save that these include statutory interest for the purposes of the Liquidation Comparator (see footnote 7 above). Claim Values for the Non-Qualifying Claimants and Contingent Creditors (if any) are set at nil. Claim Values for the SIHNV Financial Creditors and Intra-Group Creditors are valued in accordance with their contractual or stated values. All aforementioned Claim Values are expressed as at 31 August 2021.

SIHNV Contractual Claimants in respect of which disputes are pending with the Dispute Committee or otherwise competent court. SRF will distribute to each such party its respective share of the SoP Settlement Fund (if any) as soon as reasonably practicable after the later of (a) payment having occurred to SIHNV MPC Claimants and SIHNV Contractual Claimants that are not subject to dispute and (b) the Claims Administrator having received proof that the Claim Value of their Claim is bindingly determined or resolved between the relevant parties (as referred to in Clause 9.1.2).

6.2 Non-Qualifying Claimants and Contingent Creditors

87. SIHNV shall pay each Non-Qualifying Claimant and Contingent Creditor which has timely and validly filed its Claim to SIHNV on or before the Bar Date as set out in Clause 0 its distribution from the Reserve Fund as soon as possible after SIHNV has received proof that their Claim is:
- (i) determined on a binding basis by the court of a competent jurisdiction in a final and unappealable judgment which is recognised and enforceable in the Netherlands;
 - (ii) determined on a binding basis in a final decision pursuant to an alternative dispute resolution process as agreed between the relevant Non-Qualifying Claimant and/or Contingent Creditor and SIHNV, and which is no longer subject to annulment; or
 - (iii) otherwise agreed in a settlement agreement between the relevant Non-Qualifying Claimant and/or Contingent Creditor and SIHNV.
88. For the avoidance of doubt, SRF will not receive Claim submissions of Non-Qualifying Claimants and Contingent Creditors and will have no role in reviewing their Claims.
89. SIHNV, together with SIHPL and SAHPL, has as of 14 February 2021 entered into a conditional settlement agreement with the Upington Margin Lenders, Titan and their respective related parties which agrees a basis on which the Non-Qualifying Claims comprising the Upington 1 Claim (insofar it is asserted by any Upington Claimant other than the Upington Margin Lenders), the Upington 2 Claim and the Upington Lender Claim will be settled for nil consideration payable by SIHNV subject to certain conditions, including the occurrence of the Settlement Effective Date.

7 The Valuation Principles

90. The Claims of the Distribution Creditors will be valued in the manner set out in the Valuation Principles (included as **Schedule 7** (*Valuation Principles*)). The Steinhoff Allocation Plan is incorporated by reference into the Valuation Principles with respect to the valuation of the SIHNV MPC Relevant Claims.
91. The Valuation Principles determine the Claim Value, which is the nominal value of the Claims of the Distribution Creditors, in a manner that takes into account the applicable requirements of Dutch (bankruptcy) law. The Claim Value serves as a basis for the determination of a Distribution Creditor's share of the SoP Settlement Fund or Reserve Fund in accordance with this SIHNV Composition Plan. The Valuation Principles have been formulated in accordance with international standards and the principles of Dutch bankruptcy law.
92. SIHNV has, with the support of Analysis Group, formulated the Valuation Principles in respect of the Claim Values of the MPC Claimants and the SIHNV Contractual Claimants. The valuation methodologies in respect of their Claims are based on a market standard approach to market purchase claim loss allocation methodology regarding the MPC

Claimants (the Inflation Methodology) and on a rescissionary claim loss methodology reflecting relevant legal considerations regarding the SIHNV Contractual Claimants (the Rescission Methodology). In respect of the Contingent Creditors and the Non-Qualifying Claimants, the Valuation Principles assume a Claim Value of EUR 1, unless the Claim Value is bindingly determined or resolved between the relevant parties (in which case the Valuation Principles defer to the Claim Value as so determined or resolved).

93. The valuation methodologies that are laid down in the Valuation Principles have been included in the Settlement Term Sheet and were published by SIHNV in July 2020. The Distribution Creditors have had the opportunity to consider their views on these valuation methodologies since that publication. On the basis of the Valuation Principles, SIHNV believes that it is offering a fair and equitable valuation of each Distribution Creditor's Claim and distribution of each Distribution Creditor's Claim.
94. SIHNV and the SoP Administrators may in any event contest (*betwisten*) at the Voting Hearing:
- (i) any Non-Qualifying Claim or Contingent Claim filed by, or on behalf of, a Non-Qualifying Claimant or Contingent Creditor;
 - (ii) any Claim filed by, or on behalf of, a Distribution Creditor for a value higher than as determined in accordance with the Valuation Principles;
 - (iii) any Claim filed on behalf of an SoP Creditor by a party that is unauthorised to do so;
 - (iv) any Claim filed on behalf of a party by way of a Claim Form that is not an MPC Claimant; and
 - (v) any Claim filed on behalf of a party with insufficient supporting information and documentary evidence.
95. The foregoing will not prevent SIHNV or the SoP Administrators from contesting Claims on any other grounds or for any other cause.
96. The inclusion of the Valuation Principles in this SIHNV Composition Plan extends the binding effect of the provisions of this SIHNV Composition Plan to the valuation of the Claims of the Distribution Creditors against SIHNV. This provides key benefits to achieving a fair and equitable global settlement, since the universal application of the Valuation Principles across relevant Claims against SIHNV will:
- (i) secure an equal standard pursuant to which Claims are valued and on the basis of which payments can be claimed under this SIHNV Composition Plan. Such universal application is very difficult to achieve in the case of individual litigation;
 - (ii) provide an efficient resolution to the extent that a multitude of laws would govern the Claims against SIHNV (including the calculation of the current value of such Claims); and
 - (iii) limit the time and costs associated with resolving the distributions to be made on Claims that are disputed, since such dispute will not concern the validity of the Valuation Principles as established by this SIHNV Composition Plan.

8 Performance of this SIHNV Composition Plan

8.1 Payments to SIHNV MPC Claimants and SIHNV Contractual Claimants

97. SIHNV has established a new Dutch foundation (*stichting*) called the Stichting Steinhoff Recovery Foundation (“SRF”), which also has certain related infrastructure in South Africa for the distribution of the portion of the SoP Settlement Fund to MPC Claimants and SIHNV Contractual Claimants that are entitled to receive payment in shares and in ZAR (par. 100).¹³ SRF will be the claim administration and distribution vehicle for the purposes of MPC Relevant Claims and SIHNV Contractual Claims, set up as an independent entity governed by a board of newly appointed directors, with two directors being entirely independent of the Steinhoff Group. The chairperson is will be independent and will have a casting vote in case of a tie in decision making. SRF will become bound to this SIHNV Composition Plan as of the SoP Effective Date by countersigning this SIHNV Composition Plan. For the avoidance of doubt, SRF will have no role in relation to the Claims of any SoP Creditors other than the MPC Claimants and the SIHNV Contractual Claimants or the consideration (if any) to which those SoP Creditors are entitled under this SIHNV Composition Plan. SRF will also be entitled to become a party to settlement agreements with third parties and accordingly collect proceeds from third parties in relation to the Events and/or the Allegations, and accordingly collect proceeds from third parties which may be made available for distribution under the terms of the SRF and Claims Administration Conditions. The governance of SRF is set out in clause 2 (*Purpose and governance of the Stichting Steinhoff Recovery Foundation*) of the SRF and Claims Administration Conditions and in the SRF Articles of Association.
98. SRF has appointed a Claims Administrator to function independently of the SoP Creditors and to assist on that basis with the implementation of the Steinhoff Group Settlement, including the administration and review of the Claims filed by MPC Claimants and SIHNV Contractual Claimants. SRF has appointed Computershare, a globally recognised claims administrator, as initial Claims Administrator in accordance with clause 5 (*The Claims Administrator*) of the SRF and Claims Administration Conditions. Furthermore, on 5 March 2021, the District Court of Amsterdam decided at the request of the SoP Administrators (and with the support of SIHNV) that, among other things, for the purposes of the SoP, Computershare would act as claims administrator for and on behalf of the SoP Administrators. This decision (including an English translation) can be found on www.steinhoffsettlement.com.
99. Under the terms and conditions of the SRF and Claims Administration Conditions, SIHNV will procure:
- (i) the deposit of the EUR portion of the Gross Settlement Fund to a bank account with a leading bank controlled by, maintained by or held in the name of SRF;
 - (ii) the deposit of the ZAR portion of the Gross Settlement Fund to an escrow account controlled by SRF in South Africa; and
 - (iii) that Ainsley makes available the share portion of the Gross Settlement Fund under the control of SRF for the benefit of the MPC Claimants and SIHNV Contractual Claimants by way of a security arrangement under South African law in respect of

¹³ SRF will also administer and determine the SIHPL MPC Relevant Claims filed by SIHPL MPC Claimants under the SIHPL Section 155 Proposal.

PPH Shares portion of the Gross Settlement Fund under the terms of an agreement between Ainsley and SBG Securities Proprietary Limited.

100. The amounts of the EUR and ZAR portions of the Gross Settlement Fund depend on, amongst other things, the (likely) size of the groups of MPC Claimants and SIHNV Contractual Claimants that are entitled to cash payments in EUR or ZAR, respectively (see Clause 9.5.1). Subject to the applicable exchange rate in case a currency conversion from EUR to ZAR is required (see Clause 9.5.3) and SIHNV's option to settle the settlement consideration in a greater proportion, or the full amount, in cash,¹⁴ SIHNV expects that:¹⁵
- (i) the cash portion of the Gross Settlement Fund will consist of approximately EUR 153,200,000 and ZAR 2,616,300,000; and
 - (ii) the shares portion of the Gross Settlement Fund will consist of approximately 349,000,000 PPH Shares.
101. SRF will reserve the SoP Settlement Fund for payment to the SIHNV MPC Claimants and the SIHNV Contractual Claimants in the manner set out in Clause 6.

8.2 Payments to Non-Qualifying Claimants and Contingent Creditors

102. SIHNV will separately establish and maintain the Reserve Fund in respect of the distributions to Non-Qualifying Claimants and Contingent Creditors (if any).
103. Subject to the terms and conditions of this SIHNV Composition Plan, SIHNV will procure the availability of the Reserve Fund in the manner it sees fit in order to meet any payment obligations to Non-Qualifying Claimants and the Contingent Creditors, including by way of any of the actions described in Clause 6.2.3.
104. SIHNV will reserve the Reserve Fund for payment to the Non-Qualifying Claimants and the Contingent Creditors in the manner set out in Clause 6.

8.3 Payments to SRF and the SoP Administrators

105. Pursuant to Clause 10 of this SIHNV Composition Plan and clause 3.1.17 of the SRF and Claims Administration Conditions, SIHNV has procured SAHPL (or another Steinhoff Group Company) to pay the SRF Costs Payment to SRF as compensation to cover the SRF Costs.
106. SIHNV will also be obliged to pay certain costs of the SoP and the fees of the SoP Administrators pursuant to Sections 215a(1) and 250 DBA. The payment thereof does not concern an unsecured non-preferred Claim, but instead an estate debt (*boedelschuld*), and therefore falls outside the scope of the SoP and this SIHNV Composition Plan.

8.4 Funds flow process

107. In order to put SIHNV, SIHPL, SRF and other relevant entities within the Steinhoff Group in the position necessary to fulfil their respective obligations under each of the SIHPL Section 155 Proposal and this SIHNV Composition Plan, a funds flow process comprising a series of steps has been prepared by Moelis & Company UK LLP in consultation with the Steinhoff Group's internal tax team and internal and external counsel (the "**Funds Flow Process**").

¹⁴ SIHNV in its sole discretion shall also have the option to settle the settlement consideration in a greater proportion of cash for the benefit of Qualifying Ineligible Claimants. See par. 70 above.

¹⁵ Foreign exchange currency conversions are applied at a 31 March 2021 forward exchange rate.

108. The Steinhoff Group Companies involved in the Funds Flow Process (the "**Funds Flow Entities**") are SIHNV, SIHL, SIHPL, SAHPL, Newshelf 1093 Proprietary Limited, Ainsley and PPH. The Funds Flow Entities and SRF have concluded (or will conclude) an umbrella implementation agreement setting out each of the steps necessary to implement the Funds Flow Process, the documents to be executed and the resolutions to be passed in terms of each step and the result of the implementation of each step.

8.5 Conclusion

109. Pursuant to the foregoing, and taking into account the measures as further described in the SRF and Claims Administration Conditions, the performance of this SIHNV Composition Plan is sufficiently safeguarded (*voldoende gewaarborgd*).

9 SIHNV balance sheet following implementation of the Steinhoff Group Settlement

110. The successful implementation of the Steinhoff Group Settlement will remove contingent liabilities relating to the contingent and legacy Claims from SIHNV's balance sheet. So long as those Claims and corresponding litigation remain active, there remains a material uncertainty as to the ultimate impact of litigation and regulatory enforcement on the liquidity of the Steinhoff Group (which also has an impact on its going concern assumption).¹⁶ Removing these contingent liabilities from SIHNV's balance sheet will therefore be of material benefit to the Steinhoff Group and its stakeholders.
111. As of the Settlement Effective Date:
- (i) the SIHNV Financial Creditors will extend the maturities under the SIHNV Contingent Payment Undertakings to 30 June 2023, with the ability of SIHNV to seek a further six months' extension on the approval of more than 50% by value of the total SIHNV Financial Creditors;
 - (ii) the Intra-Group Creditors will extend the maturities under the Intra-Group Loans to be consistent with the extension to the SIHNV Contingent Payment Undertakings; and
 - (iii) the SIHNV Financial Creditors party to the NV/Hemisphere Contingent Payment Undertaking will be entitled to receive a payment of EUR 66 million (payable 50% in cash and 50% in PPH Shares, at a deemed settlement price of ZAR 15 per share).¹⁷
112. In exchange for the consents, extensions, releases and waivers to be granted under Clause 12 of this SIHNV Composition Plan, with effect from the fulfilment of the Settlement Effective Date, SIHNV will grant to the SIHNV Financial Creditors and the Intra-Group Creditors first ranking security over its shares in SIHL and any loan claim payable by SIHL to SIHNV and immediately outstanding following the Settlement Effective Date, subject to arrangements under this SIHNV Composition Plan to maintain the entitlements to settlement consideration in respect of any Non-Qualifying Claims or Contingent Claims which are determined by a relevant court or alternative dispute resolution mechanism or agreed by SIHNV to be payable by SIHNV.
113. In consideration of the settlement by SIHNV of the SIHPL MPC Relevant Claims under the SIHPL Section 155 Proposal, SIHPL will (i) restate an existing loan owed by SIHPL to SIHNV

¹⁶ SIHNV annual accounts for the financial year ending on 30 September 2019, pp. 27 and 119.

¹⁷ See par. 77 above.

of approx. ZAR 62,000,000 and (ii) issue a loan note to SIHNV in the sum of the settlement consideration ultimately provided by SIHNV to the SIHPL MPC Claimants under the terms of the SIHPL Section 155 Proposal. This sum depends on the size of the group of the SIHPL MPC Claimants that is entitled to a share of the SoP Settlement Fund pursuant to the SIHPL Section 155 Proposal. This sum is estimated at EUR 164,000,000. The terms of the loan note are summarised in the Settlement Term Sheet and in the summary term sheet of July 2021 (which sets out certain amendments to the initial Settlement Term Sheet) .

10 Benefits of this SIHNV Composition Plan

- 114.** The benefits of adopting this SIHNV Composition Plan compared to the liquidation of SIHNV are set out below.
- 115.** The success of the Steinhoff Group Settlement is dependent on both this SIHNV Composition Plan and the SIHPL Section 155 Proposal becoming effective, so that there is a resolution of all or substantially all of the Litigation and potential recourse claims in both estates. It is important for key stakeholders with interests in both estates, including Financial Creditors and those who hold MPC Relevant Claims deriving from purchases of both SIHPL Shares and SIHNV Shares, that there is an overall compromise in respect of all of their Claims. Moreover, from the Steinhoff Group's perspective, a resolution in one estate only (leaving aside the question of whether that would be supported by key stakeholders) would not achieve key objectives sought by the Steinhoff Group, including the removal of the overhang of the Litigation and potential recourse claims from the Steinhoff Group's operating businesses and putting an end to the ongoing costs and substantial diversion of management time associated with the Litigation.
- 116.** In this context, the settlement of MPC Relevant Claims, whether they be SIHPL MPC Relevant Claims or SIHNV MPC Relevant Claims, is proposed on the basis that the compensation for all such claims should be determined according to the same claims determination and valuation methodology, regardless of whether such Claims derive from purchases of SIHPL Shares or SIHNV Shares and, therefore, regardless of which of the estates carries a contingent liability in respect of any given Claim. That approach brings the advantages of (i) consistency and (ii) relevant simplicity and manageability, relative to any attempt to construct different claims determination and valuation methodologies for SIHPL MPC Relevant Claims and SIHNV MPC Relevant Claims.
- 117.** In SIHPL and SIHNV's view, any attempt to construct different methodologies for SIHPL MPC Relevant Claims or SIHNV MPC Relevant Claims would face serious substantive and procedural challenges. In particular, there would inevitably be debate in any given case as to whether an MPC Relevant Claim should properly be classified as a SIHPL MPC Relevant Claim or an SIHNV MPC Relevant Claim. In this respect, a number of claimants have asserted Claims against SIHNV in respect of purchases of SIHPL Shares prior to the Scheme of Arrangement, alleged either on a "successor" basis or on the basis that SIHNV was party to the proposal materials with respect to the Scheme of Arrangement. Although the legal validity of such allegations is denied by SIHNV and was doubted in the De Bruyn judgment by the High Court of South Africa,¹⁸ they may nonetheless be pursued. Conversely, other claimants have asserted liability for SIHPL in respect of SIHNV Shares purchased following the Scheme of Arrangement, on the alleged basis that SIHPL remained responsible for some period of time for its historical financial statements that remained in the public

¹⁸ *De Bruyn v Steinhoff International Holdings N.V. and Others* (29290/2018) [2020] ZAGPJHC 145 (26 June 2020).

domain. SIHPL denies such allegations but, again, they may nonetheless be pursued. Any such controversy would be complicated further by the question of whether the relevant Claim or Claims was or were governed by Dutch law, South African law or German law (or any combination of the same).

- 118.** The effect of this SIHNV Composition Plan, in combination with the SIHPL Section 155 Proposal and the SSSA, is to render such arguments irrelevant by ensuring that all claimants in respect of MPC Relevant Claims receive settlement consideration (at all times subject to its applicable terms) calculated according to the same claims determination and valuation methodology (the Steinhoff Allocation Plan) and administered by the same entity (SRF). Such an approach facilitates very considerable efficiencies with respect to claim submission, review and payment, which are highly desirable in the context of a complex settlement such as pursuant to the Steinhoff Group Settlement.
- 119.** As noted in section 2.2.2 above, the source, and therefore likely quantum, of recoveries for MPC Claimants will however differ. All MPC Claimants will be entitled to recoveries from the SoP Settlement Fund, but only SIHPL MPC Claimants will additionally be entitled to recoveries from the SIHPL MPC Settlement Fund.
- 120.** SIHPL and SIHNV also consider the approach to be fair to all MPC Claimants. It is very difficult to make definitive judgements about the relative merits of a SIHPL MPC Relevant Claim or an SIHNV MPC Relevant Claim, or the relative merits of MPC Relevant Claims asserted under, or properly governed by, South African, Dutch or German law. Under each system of law, complex questions arise as to matters of liability, causation, remoteness and loss, and such matters are inevitably affected in each case by the particular facts relevant to a given claim. The effect of this SIHNV Composition Plan and the SIHPL Section 155 Proposal will be that MPC Claimants will not have to undergo costly and lengthy legal proceedings to fully determine the applicable law, validity and quantum of their Claims.
- 121.** An important consideration in this respect has been that this SIHNV Composition Plan represents a recovery that is a material improvement on the outcome under the Liquidation Comparator (see par. 123 below). Further, the alignment of this SIHNV Composition Plan with that made for SIHPL MPC Relevant Claims brings with it all the advantages and efficiencies identified above.
- 122.** If this SIHNV Composition Plan is successful and the Settlement Effective Date occurs, the final settlement outcome for SIHNV MPC Claimants will be determined:

 - (i) in respect of the settlement consideration made available by SIHNV pursuant to the SoP Settlement Fund, as a function of the ratio that such consideration bears to the total admitted and reviewed Claim Values of all (a) MPC Relevant Claims and (b) the SIHNV Contractual Claims, in each case successfully filed by the Bar Date; and
 - (ii) in respect of the settlement consideration made available by SIHPL pursuant to the SIHPL MPC Settlement Fund, as a function of the ratio that such consideration bears to the total admitted and reviewed Claim Values of all SIHPL MPC Relevant Claims successfully filed by the Bar Date.
- 123.** Analysis Group have assisted SIHPL and SIHNV in assessing the likely recovery on the Claims of the SoP Creditors following a hypothetical liquidation of SIHNV's assets in the event of a continuation of the SoP and subsequent bankruptcy proceedings against SIHNV. Reference is made to the Liquidation Comparator which shows the recovery of the Claims of all SoP Creditors (including SIHNV Financial Creditors, Intra-Group Creditors and Other

Unsecured Creditors) in the event of a liquidation or insolvency of SIHNV.¹⁹ The Liquidation Comparator assumes that the liquidation of SIHNV's assets would commence on 31 August 2021 and *includes* the accrual of statutory interest on the SIHNV MPC Relevant Claims and SIHNV Contractual Claims until 31 August 2021. SoP Creditors are advised that the Liquidation Comparator does not take account the Deloitte Market Purchase Claimants Offer, the Deloitte Steinhoff Additional Support Offer, the D&O Insurers Market Purchase Claimants Offer and the D&O Steinhoff Additional Support Offer. SoP Creditors are further advised that in a liquidation scenario, the Deloitte Market Purchase Claimants Offer, the Deloitte Steinhoff Additional Support Offer, the D&O Insurers Market Purchase Claimants Offer and the D&O Steinhoff Additional Support Offer would not be available.

- 124.** The Liquidation Comparator distinguishes the following scenarios:
- (i) the baseline scenario, whereby all potential MPC Claimants are assumed to bring Claims (the “**Baseline Scenario**”);
 - (ii) the high case scenario, whereby all potential MPC Claimants are assumed to bring Claims, and, given the incomplete underlying data, the relevant shares are assumed to have been purchased later in the relevant period than expected, at higher levels of inflation, resulting in higher Claims than in the Baseline Scenario (the “**High Case Scenario**”); and
 - (iii) the low case scenario, whereby only MPC Claimants who have already identified MPC Relevant Claims in the settlement negotiations (i.e., Claimant Representatives) are assumed to bring Claims, and the remaining potential MPC Claimants are assumed to not bring Claims (the “**Low Case Scenario**”).
- 125.** In summary, the Liquidation Comparator produces the following conclusions:²⁰
- (i) in the Baseline Scenario, SoP Creditors are expected to obtain a recovery on their Claims of 7.8% of their Claim Values;
 - (ii) in the High Case Scenario, SoP Creditors are expected to obtain a recovery on their Claims of 6.6% of their Claim Values; and
 - (iii) in the Low Case Scenario, SoP Creditors are expected to obtain recovery on their Claims of 8.6% of their Claim Values.
- 126.** In each scenario, the Claims brought by MPC Claimants are valued in accordance with the Inflation Methodology. Furthermore, each scenario assumes that each SIHNV Contractual Claimant brings Claims and their Claims are valued in accordance with the Rescission Methodology.
- 127.** Analysis Group have also calculated the expected recovery of SoP Creditors in liquidation on their Claims *excluding* statutory interest which, in summary, Analysis Group have estimated as follows:

¹⁹ The Liquidation Comparator assumes, amongst other things, that the Claims of the SIHNV MPC Claimants and SIHNV Contractual Claimants are valid and successful and would be eligible for a share of the liquidation proceeds. SIHNV disputes that this is the case.

²⁰ The Non-Qualifying Claims and Contingent Claims are not assigned a recovery under the Liquidation Comparator, as SIHNV disputes the existence of these Claims for the purposes of this SIHNV Composition Plan and will not make any payments on these Claims unless they are established or agreed between the relevant parties. The Other Unsecured Claims are not included in the Liquidation Comparator as they are assumed to have been paid (and are considered *de minimis*) for the purposes of its calculation.

- (i) in the Baseline Scenario, SoP Creditors are expected to obtain a recovery on their Claims of 8.4% of their Claim Values;
- (ii) in the High Case Scenario, SoP Creditors are expected to obtain a recovery on their Claims of 7.1% of their Claim Values; and
- (iii) in the Low Case Scenario, SoP Creditors are expected to obtain recovery on their Claims of 9.3% of their Claim Values.

128. By comparison, Analysis Group have assisted SIHPL and SIHNV in assessing the likely outcomes if Settlement Effective Date would occur. In summary:

- (i) using Claim Values estimated by Analysis Group based on available data at the date of this SIHNV Composition Plan, the estimated settlement recovery for SIHNV MPC Relevant Claims and SIHNV Contractual Claims is 9.2% in the Baseline Scenario, calculated as at 5 December 2017 (par. 66 above);
- (ii) depending on variations in Claim Values, Analysis Group conclude that settlement recovery for SIHNV MPC Relevant Claims and SIHNV Contractual Claims calculated as at 5 December 2017, would be:
 - (a) 7.8% in the High Case Scenario;²¹ and
 - (b) 12.5% in the Low Case Scenario.²²

129. The foregoing leads to the following simplified overview of the estimated recoveries of the SIHNV MPC Claimants and the SIHNV Contractual Claimants:

	Baseline Scenario	High Case Scenario	Low Case Scenario
Recovery in liquidation			
<i>including statutory interest on Claims</i>	7.8%	6.6%	8.6%
<i>excluding statutory interest on Claims</i>	8.4%	7.1%	9.3%
Recovery if Settlement Effective Date occurs	9.2%	7.8%	12.5%

130. Any SIHNV MPC Claimants that are currently also a shareholder of SIHNV will also receive the benefit of the preservation of the value of the underlying business of SIHNV if the Settlement Effective Date would occur.

131. The rights of the SIHNV Financial Creditors, Intra-Group Creditors and Other Unsecured Creditors under the SIHNV CPU Claims, Intra-Group Claims and Other Unsecured Claims (respectively), are fully preserved if the Settlement Effective Date would occur, which constitutes a more beneficial outcome for those creditors as compared to the liquidation or insolvency of SIHNV.

132. In conclusion, any recovery for SIHNV MPC Claimants and SIHNV Contractual Claimants under this SIHNV Composition Plan and the preservation of rights for the SIHNV Financial

²¹ The total SIHNV MPC Relevant Claims in the High Case Scenario are approximately EUR 5.2 billion as of December 2017 (as compared to approximately EUR 2.8 billion in the Baseline Scenario).

11 Explanatory Memorandum and Composition Plan

- 133.** This Part A (*Explanatory Memorandum*) and Part B (*Composition Plan*) set out below should be read in conjunction with one another and constitute the same SIHNV Composition Plan.

Recommendation

This SIHNV Composition Plan provides the Distribution Creditors with a mechanism to receive a settlement payment in respect of their claims against SIHNV in the quickest and most efficient manner. SIHNV believes that this SIHNV Composition Plan represents the best achievable settlement offer to its creditors.

The claims of the Distribution Creditors have been valued in accordance with the Valuation Principles. The Valuation Principles have been formulated with the equitable treatment of those claims as the base principle and in accordance with the principles of the DBA and are based on internationally accepted standards, including a market standard approach to market purchase loss allocation methodology and, separately, a rescissionary claim loss methodology. The Valuation Principles have been determined by valuation professionals who have applied a robust process with appropriate internal checks and balances. The Distribution Creditors, including the Claimant Representatives (who represent approximately 63.4% of the total Claim Value of the known MPC Claimants and approximately 50.8% of the total Claim Value of the known SIHNV MPC Claimants), have had the opportunity to consider their views on the valuation methodologies that have been published since July 2020 as part of the Settlement Term Sheet. On the basis of the Valuation Principles, SIHNV believes that this SIHNV Composition Plan offers a fair and equitable distribution of each Distribution Creditor's claim.

This SIHNV Composition Plan shall preserve the SIHNV CPU Claims of the SIHNV Financial Creditors, the Intra-Group Claims of the Intra-Group Creditors and the Other Unsecured Claims of the Other Unsecured Creditors.

This SIHNV Composition Plan is expected to offer a more favourable and more certain recovery on the claims of the SoP Creditors as compared to a liquidation of SIHNV's assets.

The performance of this SIHNV Composition Plan is safeguarded and supported by, amongst other things, the conduct and administration of SRF and measures by SIHNV to procure the availability of the requisite settlement funds.

Implementation of this SIHNV Composition Plan is in the best interests of all SoP Creditors, SIHNV and the wider Steinhoff Group. SIHNV therefore strongly recommends all SoP Creditors to support this SIHNV Composition Plan.

- 3.2 SIHNV will use its best efforts to procure the fulfilment of the Conditions Precedent.

4 Binding nature of the Claim Value

As of the SoP Effective Date, each Distribution Creditor is bound by the Claim Value attributed to its Claim in accordance with the Valuation Principles, regardless of whether such Distribution Creditor holds an Admitted Claim, has filed (or has authorised a party to file) its Claim with the Claims Administrator for admission in the SoP.

5 Consideration; Acknowledgements

- 5.1 As of the date the conditions set out in Clause 14.1 have occurred, this SIHNV Composition Plan constitutes a waiver of and is a full, final and irrevocable discharge (*volledige en finale kwijting*) of any unsecured and non-preferred Claim of any Distribution Creditor against SIHNV, regardless of whether such Distribution Creditor has filed (or has authorised a party to file) its Claim with the Claims Administrator for admission in the SoP (the "**Waiver**").
- 5.2 As consideration for the Waiver and subject to the occurrence of the Settlement Effective Date and receipt by SRF of the Gross Settlement Fund:
 - 5.2.1 SRF shall provide from the SoP Settlement Fund, in accordance with and subject to this SIHNV Composition Plan, to each SIHNV MPC Claimant and SIHNV Contractual Claimant, such consideration as that SIHNV MPC Claimant and SIHNV Contractual Claimant is entitled to receive from SRF pursuant to the terms of this SIHNV Composition Plan;
 - 5.2.2 SIHNV shall provide from the Reserve Fund, in accordance with and subject to this SIHNV Composition Plan, to each Non-Qualifying Claimant and Contingent Creditor in respect of their bindingly determined or resolved Non-Qualifying Claims and Contingent Claims (respectively), such consideration as that Non-Qualifying

- 5.2.3** SRF and SIHNV shall perform all such acts and do all such other things as SRF and SIHNV are obliged to under, in accordance with and subject to the terms of this SIHNV Composition Plan,

(together, the "**SoP Consideration**").

- 5.3** The obligations under Clause 5.2 shall constitute independent and several obligations of:

5.3.1 SRF to each SIHNV MPC Claimant and SIHNV Contractual Claimant; and

5.3.2 SIHNV to each Non-Qualifying Claimant and Contingent Creditor.

- 5.4** This SIHNV Composition Plan constitutes the acceptance by each Distribution Creditor of the SoP Consideration to which it is entitled under this SIHNV Composition Plan and that it is bound by the terms and conditions of this SIHNV Composition Plan, regardless of any of the terms and conditions of this SIHNV Composition Plan being illegal, invalid or unenforceable in any respect under any law of any jurisdiction.

- 5.5** Except for the entitlement to receive payment from SRF or SIHNV as provided for in this SIHNV Composition Plan (if any), nothing in this SIHNV Composition Plan should be construed as providing SoP Creditors with any other rights or entitlements that, as of the SoP Effective Date, do not exist under the applicable conditions or any other legal or other provisions that are applicable to those SoP Creditors' Claims.

- 5.6** Subject to the fulfilment of the Conditions Precedent:

5.6.1 each SIHNV Financial Creditor, Intra-Group Creditor and Other Unsecured Creditor hereby irrevocably acknowledges that the Distribution Creditors are entitled to the SoP Consideration; and

- (iii) the Other Unsecured Creditors shall maintain their rights in accordance with the terms of the Other Unsecured Claims.

- 5.7** The Waiver set out in this Clause 5 shall not apply to:

5.7.1 the determination of the Claim Value (if any) of a Non-Qualifying Claim as referred to in par. 4.4 of the Valuation Principles for the purposes of receiving payment from SIHNV in accordance with Clause 7.2 (if any); and

5.7.2 the determination of the Claim Value (if any) of a Contingent Claim as referred to in par. 5.3 of the Valuation Principles for the purposes of receiving payment from SIHNV in accordance with Clause 7.2 (if any).

- 5.8** This SIHNV Composition Plan constitutes the acceptance and acknowledgement by all SIHNV MPC Claimants and SIHNV Contractual Claimants of the SRF and Claims Administration Conditions.

6 The SoP Settlement Fund and the Reserve Fund

6.1 Availability of payment procured by SIHNV

6.1.1 Pursuant to this SIHNV Composition Plan, the SIHPL Section 155 Proposal and an agreement to be concluded between SIHNV and SRF, SIHNV shall procure:

- (i) as payment to the MPC Claimants and SIHNV Contractual Claimants under the terms of this SIHNV Composition Plan and the SIHPL Section 155 Proposal, an amount equivalent to EUR 612,620,000 (the “**Gross Settlement Fund**”), less (A) any amounts deductible pursuant to clauses 4.4 and 4.5 of the SRF and Claims Administration Conditions and (B) any amounts deductible from the Gross Settlement Fund pursuant to Clause 10.3 (together, the “**SoP Settlement Fund**”); and
- (ii) as payment to the Non-Qualifying Claimants and the Contingent Creditors under the terms of this SIHNV Composition Plan, an amount to the extent appropriate to meet any payments in respect of bindingly determined or resolved Non-Qualifying Claims or Contingent Claims under the terms of this SIHNV Composition Plan (the “**Reserve Fund**”).

6.1.2 SIHNV shall make each of the Gross Settlement Fund and the Reserve Fund available in equal proportions of cash and PPH Shares, at a deemed settlement price of ZAR 15 per PPH Share as at the Settlement Effective Date. However, SIHNV has the option (with regard to the Gross Settlement Fund in consultation with SIHPL), to unilaterally elect to make the Gross Settlement Fund and/or the Reserve Fund available in a greater proportion in cash (including the option to fully settle in cash). SIHNV in its sole discretion shall also have the option to make the Gross Settlement Fund available in a greater proportion of cash for the benefit of Qualifying Ineligible Claimants. Such Qualifying Ineligible Claimants agree and acknowledge that any and all risks in connection with such an arrangement are for their own account, including risks relating to the price and execution of such arrangement.

6.2 Manner of payment procured by SIHNV

6.2.1 SIHNV shall deposit or procure the deposit of the cash portion of the Gross Settlement Fund into:

- (i) a EUR bank account with a leading bank controlled by, maintained by or held in the name of SRF with respect to the EUR portion of the Gross Settlement Fund in accordance with the SRF and Claims Administration Conditions; and
- (ii) a ZAR escrow account controlled by SRF with respect to the ZAR portion of the Gross Settlement Fund in accordance with the SRF and Claims Administration Conditions.

6.2.2 SIHNV shall procure that Ainsley makes available any share portion of the Gross Settlement Fund for the benefit of the SIHNV MPC Claimants and SIHNV Contractual Claimants by way of the establishment of a security arrangement under South African law under the terms of an agreement between Ainsley and SBG Securities Proprietary Limited, so as to enable SRF to effectively deal with the relevant portion of the PPH Shares in question in accordance with the provisions of this SIHNV Composition Plan.

6.2.3 SIHNV shall pay or procure the payment of the Reserve Fund (if any) in the manner it fees fit, which may include any of the following:

- (i) the deposit of any EUR portion of the Reserve Fund to a bank account with a leading bank controlled by, maintained by or held in the name of SIHNV;
- (ii) the deposit of any ZAR portion of the Reserve Fund to an escrow account controlled, maintained by or held in the name of SIHNV in South Africa; and
- (iii) the establishment of a security arrangement under South African law under the terms of an agreement between Ainsley and SBG Securities Proprietary Limited, pursuant to which Ainsley makes available any share portion of the Reserve Fund under the control of SIHNV for the benefit of the Non-Qualifying Claimants and Contingent Creditors (if applicable).

6.3 Timing of payment procured by SIHNV

6.3.1 SIHNV shall procure that the deposit of the cash portion, and establishment of the security arrangement in respect of the shares portion (if applicable), of the Gross Settlement Fund referred to in Clauses 6.2.1 and 6.2.2 to SRF occurs ultimately 2 Business Days before the Settlement Effective Date.

6.3.2 SIHNV shall procure that any deposit of the cash portion, and establishment of the security arrangement in respect of the shares portion (if applicable), of the Reserve Fund (if any) referred to in Clause 6.2.3 occurs after the Bar Date.

6.4 Release of obligations of SIHNV

6.4.1 Upon receipt by SRF of the cash portion of the Gross Settlement Fund and establishment of the security arrangement in respect of the share portion of the Gross Settlement Fund (if applicable) for the benefit of the SIHNV MPC Claimants and SIHNV Contractual Claimants, SIHNV is fully released from its obligations to the SIHNV MPC Claimants and SIHNV Contractual Claimants pursuant to this SIHNV Composition Plan. This release will occur automatically upon the completion of such steps and without any further formalities. SRF shall, as its own independent and several obligation, perform any and all of the obligations pursuant to this SIHNV Composition Plan that are expressed to be owed by SRF.

6.4.2 Upon payment by SIHNV to all Non-Qualifying Claimants and Contingent Claimants who are entitled to a distribution of settlement consideration from the Reserve Fund pursuant to Clause 0, SIHNV is fully released from its obligations to the Non-Qualifying Claimants and Contingent Claimants pursuant to this SIHNV Composition Plan. This release will occur automatically upon the completion of such step and without any further formalities.

6.5 Reversion of Reserve Fund

Any balance of the Reserve Fund remaining after the payment of all Non-Qualifying Claims and Contingent Claims which are timely filed on or before the Bar Date and established or agreed between the relevant parties (if any) shall revert to SIHNV or Ainsley (as applicable).

7 Conditions for payment

7.1 Governing law

Upon the occurrence of the Settlement Effective Date, the Claims of the Distribution Creditors for or relating to payment from SRF or SIHNV (as applicable) in accordance with Clause 7.2 (if any) shall be governed by Dutch law.

7.2 Entitlement from the SoP Settlement Fund and the Reserve Fund

7.2.1 Each SIHNV MPC Claimant and SIHNV Contractual Claimant whose Claim is accepted under the terms of this SIHNV Composition Plan will be entitled to a distribution of settlement consideration from the SoP Settlement Fund calculated according to the following formula:

A/(B+C) x D where:

A = the Claim Value of an SIHNV MPC Claimant or SIHNV Contractual Claimant

B = the total Claim Value of all Claims of MPC Claimants and SIHNV Contractual Claimants that are:

- (i) filed pursuant to Clause 0 of this SIHNV Composition Plan and/or the SIHPL Section 155 Proposal (as applicable) and in accordance with the SRF and Claims Administration Conditions, and
- (ii) accepted pursuant to Clause 8 of this SIHNV Composition Plan and/or the SIHPL Section 155 Proposal (as applicable)

C = the total Claim Value of all the Disputed Claims, which for each Disputed Claim will be the amount as asserted in accordance with the Inflation Methodology or Rescission Methodology (as applicable)

D = the SoP Settlement Fund

7.2.2 Each Non-Qualifying Claimant and Contingent Creditor whose Claim is timely filed on or before the Bar Date will be entitled to a distribution of settlement consideration from the Reserve Fund in a proportion of their Claim Value that is equal to the proportion of the Claim Value that each SIHNV MPC Claimant and SIHNV Contractual Claimant is entitled to pursuant to Clause 7.2.1. Each Non-Qualifying Claimant and Contingent Creditor will only be entitled to payment pursuant to this Clause 7.2.2 if the Claim Value of the relevant Non-Qualifying Claim or Contingent Claim (as applicable) is:

- (i) determined on a binding basis by the court of a competent jurisdiction in a final and unappealable judgment which is recognised and enforceable in the Netherlands;
- (ii) determined on a binding basis in a final decision pursuant to an alternative dispute resolution process as agreed between the relevant Non-Qualifying Claimant or Contingent Creditor (as applicable) and SIHNV, and which is no longer subject to annulment; or
- (iii) otherwise agreed in a settlement agreement between the relevant Non-Qualifying Claimant or Contingent Creditor (as applicable) and SIHNV.

- 7.2.3 Subject to the SRF and Claims Administration Conditions, SRF shall determine the acceptance or rejection of a Claim and the amount and currency to be allocated to an SIHNV MPC Claimant or SIHNV Contractual Claimant in respect of such Claim as described in Clause 8 and effect the payment to each such SIHNV MPC Claimant or SIHNV Contractual Claimant at the time described in Clause 9.
- 7.2.4 Each SIHNV Financial Creditor shall maintain only its SIHNV CPU Claims against SIHNV. This preservation of rights does not apply to any other (ordinary non-preferred) Claims which an SIHNV Financial Creditor may have against SIHNV and/or are waived pursuant to Clause 12.1. No SIHNV Financial Creditor shall be entitled to payment from the SoP Settlement Fund or Reserve Fund. For the avoidance of doubt, to the extent an SIHNV Financial Creditor is also an SIHNV MPC Claimant, it will have the right to receive settlement consideration from the SoP Settlement Fund in its capacity as an SIHNV MPC Claimant under the terms of this SIHNV Composition Plan.
- 7.2.5 Each Intra-Group Creditor shall maintain only its contractual Claims against SIHNV under the Intra-Group Loans. This preservation of rights does not apply to any other (ordinary non-preferred) Claims which an Intra-Group Creditor may have against SIHNV and/or are waived pursuant to Clause 12.1. No Intra-Group Creditor shall be entitled to payment from the SoP Settlement Fund or Reserve Fund.
- 7.2.6 Each Other Unsecured Creditor shall maintain its Other Unsecured Claims against SIHNV in full in accordance with the terms of such Other Unsecured Claim. This preservation of rights does not apply to any other (ordinary non-preferred) Claims which an Other Unsecured Creditor may have against SIHNV and/or are waived pursuant to Clause 12.1. No Other Unsecured Creditor shall be entitled to payment from the SoP Settlement Fund or Reserve Fund.

7.3 Submission requirements

As a condition to receiving payment in accordance with Clause 7.2 (if any), each Distribution Creditor that does not hold an Admitted Claim must, on or before the Bar Date and in accordance with Clause 7.4:

- 7.3.1 in the case of each party purporting to represent multiple SIHNV MPC Claimants and/or purporting to have acquired multiple SIHNV MPC Relevant Claims against SIHNV, file with the Claims Administrator a valid and complete Master Claim Form;
- 7.3.2 in the case of each (other) SIHNV MPC Claimant, file with the Claims Administrator a valid and complete Online Claim Form; and
- 7.3.3 in the case of each other Distribution Creditor, file with SIHNV reliable evidence as accepted under suspension of payment proceedings. In the case of a Non-Qualifying Claimant or Contingent Creditor whose Non-Qualifying Claim or Contingent Claims has been bindingly determined or resolved prior to the Bar Date, such evidence should include proof of:
 - (i) a final and unappealable judgment which is recognised and enforceable in the Netherlands;
 - (ii) a final decision pursuant to an alternative dispute resolution process as agreed between SIHNV and the relevant Non-Qualifying Claimant or

Contingent Creditor (as applicable) which is no longer subject to annulment;
or

- (iii) a settlement agreement between SIHNV and the relevant Non-Qualifying Claimant or Contingent Creditor (as applicable),

determining the amount of its Claim against SIHNV.

7.4 Documentation requirements

- 7.4.1 Each Claim Form, all (supporting) documentation referred to therein and any follow-up correspondence in that respect shall in principle be filed with the Claims Administrator in electronic format, and each party that files a Claim Form agrees that the email address it provides in the Claim Form will be used for such correspondence. However, the Claims Administrator may accept postal submissions from an SIHNV MPC Claimant that is a retail investor (being non-professional market participants who generally invest smaller amounts than larger institutional investors). In the event of a postal submission (and any follow-up correspondence in that respect), the postmark date (if indicated on the correspondence) will be assumed to be the date of receipt of the correspondence for the purposes of Clauses 7.3, 8.1.6 and 8.3. Any SIHNV MPC Claimant that files a Claim Form by postal services bears any risk related thereto (including, but not limited to, the risk that the submission is received after any applicable deadline).
- 7.4.2 Each Claimant Representative or other party filing an MPC Relevant Claim in a representative capacity shall file all required evidence of its authority to file an MPC Relevant Claim on behalf of an SIHNV MPC Claimant, as detailed in schedule 2 (*Required Claim Information*) to the SRF and Claims Administration Conditions. Each Claim filed by or on behalf of an SIHNV MPC Claimant shall be accompanied with the evidentiary documentation as set out in schedule 2 (*Required Claim Information*) to the SRF and Claims Administration Conditions.

7.5 No resubmission of Admitted Claims

If a Distribution Creditor already holds an Admitted Claim pursuant to its participation in the SoP process at and prior to the Voting Hearing, that Distribution Creditor is not required to refile that Admitted Claim with the Claims Administrator in order to be eligible to receive payment in accordance with Clause 7.2 (if any).

7.6 Disputed Claims Amount

- 7.6.1 Prior to making any distributions from the SoP Settlement Fund, SRF will withhold from the SoP Settlement Fund a nominal amount (the “**Disputed Claims Amount**”) equal to the amount that would be distributable in accordance with Clause 7.2 of this SIHNV Composition Plan or clause 17.9 of the SIHPL Section 155 Proposal (as applicable) in respect of Disputed Claims.
- 7.6.2 SRF will reserve the amounts specified in Clause 7.6.1 above based on the Claim Value in the amount asserted pursuant to the Inflation Methodology or the Rescission Methodology (as applicable), taking into account the Claim details as asserted by the Distribution Creditor.
- 7.6.3 The positive balance (if any) of the Disputed Claims Amount will, once all Disputed Claims are finally and bindingly determined or resolved and the payments in accordance with Clause 9.1.2 have occurred, be distributed amongst all MPC

Claimants and SIHNV Contractual Claimants (unless an MPC Claimant or SIHNV Contractual Claimant has waived receipt of such payment) on a *pro rata* basis in proportion to their Claim Value, unless SRF determines that the balance of the Disputed Claims Amount is insufficient to make such distribution economical, in which case SRF shall pay such balance to SIHNV. Any costs, expenses or fees in relation to such redistribution of the balance of the Disputed Claims Amount to the MPC Claimants and the SIHNV Contractual Claimants will be first deducted from that balance before the *pro rata* redistribution amounts will be determined to be sufficient to make such distribution economical.

8 Claim review by the Claims Administrator and Claim Determination by SRF

8.1 Claim Determination

- 8.1.1 Subject to Clauses 8.4 and 8.5.5(iii) below, SRF will ultimately decide, upon the (non-binding) advice of the Claims Administrator and in accordance with this SIHNV Composition Plan and the SRF and Claims Administration Conditions:
- (i) whether to accept or reject a Claim filed by an SIHNV MPC Claimant or SIHNV Contractual Claimant;
 - (ii) if accepted, the Claim Value of that Claim; and
 - (iii) (if applicable) whether an SIHNV MPC Claimant is a Qualifying Ineligible Claimant,
- (the “**Claim Determination**”).
- 8.1.2 The Claims Administrator shall provide SRF with (a copy of) any documents and/or information requested by it for the purposes of SRF making the Claim Determination.
- 8.1.3 For each Claim filed by an (alleged) SIHNV MPC Claimant and SIHNV Contractual Claimant pursuant to the terms of this SIHNV Composition Plan, the Claims Administrator, acting as reviewer in accordance with the terms of the SRF and Claims Administration Conditions, will initially determine whether the Claim filed by an (alleged) SIHNV MPC Claimant or SIHNV Contractual Claimant can be accepted and, if so, the Claim Value of that Claim. The Claims Administrator shall advise SRF accordingly for the purpose of making the Claim Determination pursuant to Clause 8.1.1.
- 8.1.4 SRF and the Claims Administrator are not bound by the (value of the) Admitted Claims for the purposes of making the Claim Determination. SRF and the Claims Administrator are not prevented from exercising any of their rights pursuant to this Clause 8 in respect of an SIHNV MPC Claimant or SIHNV Contractual Claimant holding an Admitted Claim.
- 8.1.5 The Claims Administrator shall, as soon as practicable after receipt and review of a Claim filed in accordance with Clause 0, notify the (alleged) SIHNV MPC Claimant or SIHNV Contractual Claimant if there are any deficiencies in the filed Claim and/or items in respect of which the Claims Administrator requires additional information and/or documentation (including originals) as the Claims Administrator deems necessary and/or appropriate for the purposes of verifying that each filed Claim constitutes a valid Claim (a “**Deficiency Notification**”).

- 8.1.6** Each (alleged) SIHNV MPC Claimant and SIHNV Contractual Claimant must file any information and/or documentation requested under Clause 8.1.5 within thirty (30) days from the date of the Deficiency Notification (or any longer period as deemed reasonable by the Claims Administrator at its sole discretion, notwithstanding the ability of SRF to direct the Claims Administrator). The Claims Administrator will notify the (alleged) SIHNV MPC Claimant or SIHNV Contractual Claimant with regard to the applicable deadline in the Deficiency Notification, but is under no obligation to remind the (alleged) SIHNV MPC Claimant or SIHNV Contractual Claimant of this deadline. If the deficiencies are not fully cured, or the required information not fully filed within that period, the Claims Administrator will make a recommendation to SRF as to whether to reject the Claim.
- 8.1.7** If the Bar Date lapses during such period to cure deficiencies, or has lapsed before the Claims Administrator was able to process and review the respective Claim and send the Deficiency Notification, this will not affect the rights of the (alleged) SIHNV MPC Claimant or SIHNV Contractual Claimant to receive a payment in respect of its Claim if all deficiencies are fully cured within the period mentioned in Clause 8.1.6 and such Claim is subsequently accepted by SRF.
- 8.1.8** If requested by the Claims Administrator or at its own initiative, SRF may provide guidance to the Claims Administrator in respect of the necessary evidentiary documentation as referred to in Clause 7.4.
- 8.1.9** Subject to Clause 8.1.10, a Claim filed by an (alleged) SIHNV MPC Claimant or SIHNV Contractual Claimant in accordance with Clause 0:
- (i) may be rejected in full without providing the relevant (alleged) SIHNV MPC Claimant or SIHNV Contractual Claimant with the option to cure any deficiencies, if such Claim is filed after the Bar Date or without any evidentiary documentation or, evidently, with the sole purpose to circumvent the cut-off date for filing Claims pursuant to the Bar Date; or
 - (ii) may be rejected in full or in part, if the (alleged) SIHNV MPC Claimant or SIHNV Contractual Claimant files its Claim with insufficient supporting information and documentary evidence and the relevant (alleged) SIHNV MPC Claimant or SIHNV Contractual Claimant, after having received a Deficiency Notification, does not timeously remedy such defect(s) in accordance with Clauses 8.1.6 and 8.1.7 above in the time period(s) contemplated therein.

Criteria for the required information and documentary evidence to be filed with the Claim are provided in schedule 2 (*Required Claim Information*) to the SRF and Claims Administration Conditions.

- 8.1.10** Notwithstanding the foregoing provisions of this Clause 8, each SIHNV MPC Claimant and SIHNV Contractual Claimant agrees and acknowledges that SRF may decide at any time in its sole reasonable discretion, having regard to the specific facts or circumstances relating to a relevant SIHNV MPC Claimant or SIHNV Contractual Claimant and/or the interests of the SIHNV MPC Claimants and the SIHNV Contractual Claimants as a whole, to accept a Claim filed pursuant to this SIHNV Composition Plan and/or determine the Claim Value of such Claim. No SIHNV MPC Claimant or SIHNV Contractual Claimant can challenge (subject to Clauses 8.4 and 8.5), derive any rights from, or hold SRF and/or its (current or

former) board members liable for, any exercise or non-exercise by SRF of such discretion, the acceptance and/or rejection of any Claim of any other SIHNV MPC Claimant or SIHNV Contractual Claimant, and/or the determination of any Claim Value of any other SIHNV MPC Claimant or SIHNV Contractual Claimant. This Clause 8.1.10 contains an irrevocable third-party stipulation (*onherroepelijk derdenbeding om niet*) within the meaning of Section 6:253 DCC in respect of SRF.

8.2 Aggregation of SIHNV MPC Relevant Claims

SIHNV MPC Claimants who hold multiple accounts shall not file separate Claims for each account and must aggregate their Claims as one in a Claim Form. To the extent it is apparent that Claims are not filed in accordance with this provision, the Claims Administrator will notify the SIHNV MPC Claimant (or its representative(s)) that the Claims should have been aggregated and will provide it the opportunity to refile its Claims accordingly, in which case Clauses 8.1.5 through 8.1.7 inclusive shall apply *mutatis mutandis*. Subject to Clause 8.1.10, SRF may reject such Claims that are not properly aggregated.

8.3 Claim Determination notification

In accordance with the SRF and Claims Administration Conditions, and as soon as reasonably practicable after review of a Claim filed in accordance with Clause 0, the Claims Administrator will send a written notification to the relevant SIHNV MPC Claimant or SIHNV Contractual Claimant (or its authorised representative) informing it of the Claim Determination made by SRF pursuant to Clause 8.1 and clause 6.5 (*Claim Determination notification*) of the SRF and Claims Administration Conditions. The Claims Administrator shall send such notification on behalf of SRF in copy to the relevant claimant representative organisation (if applicable) and to SIHNV. SIHNV may request SRF to receive the underlying documentation filed by the SIHNV MPC Claimant on which the Claim Determination is based.

8.4 Disputes as to Claim Determination; Finality

8.4.1 Pursuant to this SIHNV Composition Plan and the SIHPL Section 155 Proposal, SIHNV, SRF, the SIHNV MPC Claimants and the SIHNV Contractual Claimants hereby consent to the appointment of a dispute committee, which shall have exclusive jurisdiction to decide on all matters and disputes between SRF, an SIHNV MPC Claimant, an SIHNV Contractual Claimant and/or SIHNV in relation to the question of whether and to what extent an SIHNV MPC Claimant or SIHNV Contractual Claimant is entitled to compensation from the SoP Settlement Fund pursuant to this SIHNV Composition Plan, including the relevant Claim Determination, by way of binding advice (*bindend advies*) under Section 7:900 et seq. DCC in accordance with the Dispute Committee Rules (the “**Dispute Committee**”).

8.4.2 The Dispute Committee shall consist of:

- (i) (to start with) nine (9) independent persons;
- (ii) at least three (3) members of the Dispute Committee that are Dutch law qualified with substantial experience (either practicing or retired);
- (iii) at least two (2) members of the Dispute Committee that are (also) accountants; and

- (iv) at least two (2) members of the Dispute Committee that are South African law qualified with substantial experience (either practicing or retired).

8.4.3 The initial members of the Dispute Committee as appointed pursuant to this SIHNV Composition Plan are:

- (i) A. (Fred) Hammerstein, who will act as the chairperson of the Dispute Committee;
- (ii) F. (Erik) W.H. van den Emster, who will act as the deputy chairperson of the Dispute Committee;
- (iii) P. (Peter) Ingelse;
- (iv) Prof. Dr. P. (Peter) A.M. Diekman RA;
- (v) Mr Justice F. (Fritz) D.J. Brand;
- (vi) H. (Herman) Wessels CA;
- (vii) Prof. M. (Matthias) Haentjens;
- (viii) Dr. K. (Kathy) Idensohn; and
- (ix) T. (Theresa) Visser CA.

8.4.4 The chairperson of the Dispute Committee shall be a Dutch law qualified lawyer (*jurist*) with substantial experience (either practicing or retired).

8.4.5 Subject to Clause 8.4.6:

- (i) SIHNV may declare a dispute in respect of any Claim Determination; and
- (ii) any SIHNV MPC Claimant or SIHNV Contractual Claimant (or its authorised representative) may declare a dispute in respect of a Claim Determination made with regard to that SIHNV MPC Claimant or SIHNV Contractual Claimant only.

Such dispute will primarily be notified to SRF and, if not resolved between SRF and the disputing party in a timely manner, ultimately be submitted to and finally resolved by the Dispute Committee, in each case in accordance with the Dispute Committee Rules. For this purpose, references in the Dispute Committee Rules to a "Settlement Creditor" are to be construed as references to an "SIHNV MPC Claimant" or "SIHNV Contractual Claimant" (as applicable).

8.4.6 The Claim Determination will be final and binding on SRF, SIHNV and the respective SIHNV MPC Claimant or SIHNV Contractual Claimant and no access to the binding advice procedure of the Dispute Committee or other further recourse shall exist in the event that, for instance, SRF or the Dispute Committee, as applicable, have not been timely notified of a dispute in accordance with the Dispute Committee Rules.

8.4.7 Further rules and mechanisms regarding the resolution of disputes by and the composition of the Dispute Committee are set out in the Dispute Committee Rules.

8.4.8 The members of the Dispute Committee, any secretary, supporting staff or any other person involved by the Dispute Committee (such as experts) shall not be liable either by contract or otherwise for any damage caused by their own or any other person's acts or omissions in or in connection with the binding advice proceedings, unless

and insofar as mandatory Dutch law precludes exoneration. This Clause 8.4.8 contains an irrevocable third-party stipulation (*onherroepelijk derdenbeding om niet*) within the meaning of Section 6:253 DCC in respect of those mentioned in this Clause 8.4.8.

8.5 Duplicate Claims

8.5.1 In the event and to the extent that two or more Claimant Representatives file a duplicate Claim on behalf of the same SIHNV MPC Claimant, the Claims Administrator will:

- (i) accept for the purposes of review of the relevant Claim (or part of the Claim) filed by the Claimant Representative that, on the basis of the date of the power of attorney granted to the Claimant Representative (as received by the Claims Administrator from the Claimant Representative with the submission of the Claims), such Claimant Representative can be concluded to have been the first Claimant Representative in time to have been authorised by the SIHNV MPC Claimant to file its Claim; and
- (ii) reject the relevant Claim (or part of the Claim) filed by the other Claimant Representative(s), unless the SIHNV MPC Claimant informs the Claims Administrator otherwise in writing within 30 Business Days from the date of the notification of the rejection of the relevant Claim (or part of the Claim).

8.5.2 In the event and to the extent that a duplicate Claim is filed by a Claimant Representative and a third party filer, then (i) the relevant Claim (or part of the Claim) filed by the Claimant Representative will be reviewed by the Claims Administrator, provided that the Claimant Representative proves that it is validly authorised to file such Claim (or part of such Claim) on behalf of the SIHNV MPC Claimant, and (ii) the Claim (or part of the Claim) filed by the third party filer will be rejected, unless the SIHNV MPC Claimant informs the Claims Administrator otherwise in writing within 30 Business Days from the date of the notification of the rejection of the relevant Claim (or part of the Claim).

8.5.3 In the event and to the extent that a duplicate Claim is filed by an SIHNV MPC Claimant itself as well as one (or more) Claimant Representative(s), the duplicate Claim (or part of the Claim) filed by the SIHNV MPC Claimant will be rejected, provided that (one of) the Claimant Representative(s) proves that it is validly authorised to file such Claim (or part of such Claim) on behalf of the SIHNV MPC Claimant, unless the SIHNV MPC Claimant informs the Claims Administrator otherwise in writing within 30 Business Days from the date of the notification of the rejection of the relevant Claim (or part of the Claim).

8.5.4 In the event that a Claim is filed by an SIHNV MPC Claimant itself, then to the extent that any duplicate Claim (or part of a Claim) is filed by a third party (other than a Claimant Representative, in which case Clause 8.5.3 applies), such duplicate Claim (or part of such Claim) will be rejected.

8.5.5 In any other instances where a duplicate Claim (or part of a Claim) is filed by two or more parties, the following applies:

- (i) the Claims Administrator will review the Claim filed first in time; or

- (ii) in the event that the (wholly or partially) duplicate Claims are filed at the same time, the Claims Administrator will review the most complete Claim submission with the least deficiencies; or
- (iii) to the extent that the processes in (i) and (ii) above do not lead to a solution, the Claims Administrator will notify SRF. SRF will inform the parties who filed the (remaining) (wholly or partially) duplicate Claims in order to come to an amicable solution. If such solution cannot be reached within 20 Business Days from the date SRF has informed the relevant parties, SRF will file the dispute for final and binding resolution to the Dispute Committee (in accordance with the Dispute Committee Rules). For this purpose, references to a "Settlement Creditor" are to be construed as references to the relevant "SIHNV MPC Claimant". Each of the parties that have filed such duplicate Claim will become a party to the dispute before the Dispute Committee.

8.5.6 The duplicate Claims that are not reviewed by the Claims Administrator in accordance with Clause 8.5.5 will be rejected by SRF.

8.5.7 SRF and/or its (individual) (current and former) board members cannot be held liable in respect of any actual or alleged (wholly or partially) duplicate Claims, for any acceptance or rejection of a (wholly or partially) duplicate Claim, or for any (whole or partial) payment or non-payment in respect of (the extent of) such duplicate Claim.

8.6 Not applicable to Non-Qualifying Claimants and Contingent Creditors

This Clause 8 does not apply to Non-Qualifying Claimants and Contingent Creditors. For the avoidance of doubt, SRF shall not have any obligations in respect of Non-Qualifying Claimants and Contingent Creditors whatsoever.

9 Procedure for payment

9.1 Payment to SIHNV MPC Claimants and SIHNV Contractual Claimants

9.1.1 Subject to the SRF and Claims Administration Conditions, SRF will distribute to each SIHNV MPC Claimant and SIHNV Contractual Claimant, or their respective duly authorised designated agents or trustee, its respective share of the SoP Settlement Fund in respect of a Claim that is not a Disputed Claim as soon as reasonably practicable after the Bar Date once all MPC Claimants and SIHNV Contractual Claimants have been notified of their Claim Determination and the Claim Determinations have become final, subject to the SRF and Claims Administration Conditions.

9.1.2 Subject to the SRF and Claims Administration Conditions, SRF will distribute to each SIHNV MPC Claimant and SIHNV Contractual Claimant, or their respective duly authorised designated agents or trustee, its respective share of the SoP Settlement Fund in respect of a Disputed Claim (if any) as soon as reasonably practicable after the later of payment having occurred pursuant to Clause 9.1.1 and the Claims Administrator having received proof that the Claim Value of their Disputed Claim is:

- (i) determined as being valid on a binding basis in a final decision by the Dispute Committee or pursuant to an alternative dispute resolution process as agreed between the relevant parties, and which is no longer subject to annulment;

- (ii) determined as being valid on a binding basis by the court of a competent jurisdiction in a final and unappealable judgment which is recognised and enforceable in the Netherlands; or
- (iii) otherwise agreed in a settlement agreement between the relevant parties.

9.2 Payment to Non-Qualifying Claimants and Contingent Creditors

9.2.1 SIHNV will distribute to each Non-Qualifying Claimant and Contingent Creditor its respective share of the Reserve Fund (if any) as soon as reasonably practicable after the later of (a) all MPC Claimants and SIHNV Contractual Claimants having been notified of their Claim Determination and the Claim Determinations having become final and (b) SIHNV having received proof that the Claim Value of the Claim of such Non-Qualifying Claimant or Contingent Creditor is:

- (i) determined as being valid on a binding basis by the court of a competent jurisdiction in a final and unappealable judgment which is recognised and enforceable in the Netherlands;
- (ii) determined as being valid on a binding basis in a final decision pursuant to an alternative dispute resolution process as agreed between SIHNV and the relevant Non-Qualifying Claimant or Contingent Creditor (as applicable), and which is no longer subject to annulment; or
- (iii) otherwise agreed in a settlement agreement between SIHNV and the relevant Non-Qualifying Claimant or Contingent Creditor (as applicable).

9.2.2 Any costs or expenses related to a distribution of the Reserve Fund by SIHNV to a Non-Qualifying Claimant or Contingent Creditor (either in cash or in PPH Shares), including, but not limited to, currency conversion fees (in case e.g. the account of the Non-Qualifying Claimant or Contingent Creditor is in a different currency than the distribution) and (bank) transfer costs, will be at risk and expense of the Non-Qualifying Claimant or Contingent Creditor and will be deducted from the amount of the distribution.

9.2.3 Any decrease of the Reserve Fund due to negative interest accrued on the accounts maintained and/or controlled by SIHNV pursuant to Clause 6 shall be at the risk and expense of the Non-Qualifying Claimants and Contingent Creditors that are entitled to a payment from the Reserve Fund.

9.3 Form of payment

Each Distribution Creditor shall be paid its share of the SoP Settlement Fund or Reserve Fund (as applicable) in cash and in PPH Shares (at a deemed settlement price of ZAR 15 per PPH Share) in approximately the same proportion (i.e. 50:50) or, if SIHNV has made available the Gross Settlement Fund and Reserve Fund (if applicable) in a higher proportion of cash, in approximately the same proportion as the settlement cash and PPH Shares bear to, in each case, the Gross Settlement Fund or Reserve Fund (as applicable), with rounding to occur as follows:

9.3.1 No fractional PPH Shares will be transferred. The calculation of the number of PPH Shares to be distributed will be rounded up or down to the nearest whole PPH Share. No adjustment will be made in any cash distribution for any fractional PPH Shares lost as a result of rounding down or obtained as a result of rounding up.

- 9.3.2 Any amount payable to a Distribution Creditor pursuant to Clause 0 in cash will be rounded down to one euro cent (EUR 0.01) or one South African rand cent (ZAR 0.01) (as applicable).

9.4 De minimis

SRF will not make a payment to an SIHNV MPC Claimant who is entitled to a compensation pursuant to this SIHNV Composition Plan that is deemed to be *de minimis* (negligible) pursuant to Part V of the Steinhoff Allocation Plan and clause 4 (*Administration and management of funds by the SRF*) of the SRF and Claims Administration Conditions. Any amounts or shares that are not distributed on that ground shall be dealt with in accordance with Part V of the Steinhoff Allocation Plan and clause 4 (*Administration and management of funds by the SRF*) of the SRF and Claims Administration Conditions.

9.5 Currency

- 9.5.1 Any amount payable to an SIHNV MPC Claimant or SIHNV Contractual Claimant pursuant to Clause 0 in cash is calculated and paid in accordance with the SRF and Claims Administration Conditions and Part V of the Steinhoff Allocation Plan:

- (i) to any SIHNV MPC Claimant in the currency determined in accordance with pars. 52 to 54 of the Steinhoff Allocation Plan; and
- (ii) to any SIHNV Contractual Claimant in ZAR to the extent that this is consistent with the denomination of the SIHNV Contractual Claimant's underlying transaction and in EUR to the extent that this is consistent with the denomination of the SIHNV Contractual Claimant's underlying transaction.

- 9.5.2 Any amount payable to a Non-Qualifying Claimant or a Contingent Creditor pursuant to Clause 0 in cash is calculated and paid in accordance with the determination in (as applicable):

- (i) a final and unappealable judgment by the court of a competent jurisdiction which is recognised and enforceable in the Netherlands;
- (ii) a final decision pursuant to an alternative dispute resolution process as agreed between SIHNV and the relevant Non-Qualifying Claimant or Contingent Creditor (as applicable), and which is no longer subject to annulment; or
- (iii) otherwise agreed in a settlement agreement between SIHNV and the relevant Non-Qualifying Claimant or Contingent Creditor (as applicable).

- 9.5.3 If a currency conversion from EUR to ZAR is required in connection with any payment owed to a Distribution Creditor under this SIHNV Composition Plan, the conversion will be made at the official EUR/ZAR exchange rate published by the ECB for the transfer of ZAR or EUR quoted at c.o.b. on the day which is two Business Days prior to the SIHPL Section 155 Meeting.

- 9.5.4 After the Bar Date, SRF may, depending on the size of the groups of the MPC Claimants and SIHNV Contractual Claimants that are entitled to cash payments in EUR or ZAR in accordance with Clause 9.5.1, the SIHPL Section 155 Proposal and Part V of the Steinhoff Allocation Plan:

- (i) procure the payment of cash from a ZAR escrow account controlled by it to a EUR bank account controlled, maintained or held by it in order for SRF to

pay cash settlement considerations to the MPC Claimants and SIHNV Contractual Claimants that are entitled to cash payments in EUR; and

- (ii) procure the payment of cash from a EUR bank account controlled, maintained or held by it to a ZAR escrow account controlled by it in order for SRF to pay cash settlement considerations to the MPC Claimants and SIHNV Contractual Claimants that are entitled to cash payments in ZAR.

9.6 Miscellaneous

9.6.1 Any Distribution Creditor that is in principle entitled to receive a payment pursuant to Clauses 0 to 9 will receive such payment in a single instalment.

9.6.2 The further mechanism of payments to SIHNV MPC Claimants and SIHNV Contractual Claimants pursuant to Clauses 0 to 9 will be determined by SRF and the Claims Administrator acting jointly and will, among other things, take into account speed of payment and related cost. Such determination will bind each SIHNV MPC Claimant and SIHNV Contractual Claimant.

10 SRF Costs Payment

10.1 SIHNV has undertaken to procure that SAHPL (or another Steinhoff Group Company) will pay the SRF Costs Payment to SRF, deposited in a separate EUR account of SRF with a leading bank.

10.2 To the extent that, after the final distribution (and/or repayments pursuant to Clause 7.6.3) of the SoP Settlement Fund by SRF to the MPC Claimants and the SIHNV Contractual Claimants, the total SRF Costs (including costs of SRF to be incurred after the final distribution or repayment of the SoP Settlement Fund) are lower than the SRF Costs Allocation, SRF will transfer any remaining amount of the SRF Costs Allocation to the parties that have paid such amounts to SRF, pro rata to the contribution of each such party compared to the total amounts received by SRF by way of contribution for the SRF Costs, in accordance with clause 4.1.2 of the SRF and Claims Administration Conditions.

10.3 To the extent that, prior to the final distribution (and/or repayments pursuant to Clause 7.6.3) of the SoP Settlement Fund by SRF to the MPC Claimants and the SIHNV Contractual Claimants, the SRF Costs Allocation is insufficient to cover the total of all actual and anticipated SRF Costs (including costs of SRF to be incurred or expected to be incurred after the final distribution (and/or repayments pursuant to Clause 7.6.3) of the SoP Settlement Fund), a *pro rata* share, relative to the contribution of SIHNV to the SRF Costs Allocation, in such amount of actual and anticipated SRF Costs that overrun the SRF Costs Allocation, will be deducted from the Gross Settlement Fund, in accordance with clause 4.1.3 of the SRF and Claims Administration Conditions.

11 Modification of this SIHNV Composition Plan

11.1 After the SoP Effective Date, SIHNV may amend or modify this SIHNV Composition Plan, or remedy any omission or inconsistency in this SIHNV Composition Plan, in such a manner that may be considered necessary to carry out the purpose and intent of this SIHNV Composition Plan, provided that any such amendment, modification or remedy does not materially change this SIHNV Composition Plan. SIHNV and SRF will publish any proposed amendment, modification or remedy 15 Business Days prior to its effect on the website: www.steinhoffsettlement.com.

11.2 In the event that, prior to or after the SoP Effective Date, it appears that any provision or Clause of this SIHNV Composition Plan is invalid, void or unenforceable in any jurisdiction:

11.2.1 that shall to the fullest extent possible under article 3:41 DCC not affect the legality, validity or enforceability of any other provision or Clause of this SIHNV Composition Plan and the legality, validity or enforceability in other jurisdictions of that or any other provision or Clause of this SIHNV Composition Plan; and

11.2.2 SIHNV shall be authorised to alter such provision or Clause to make it valid or enforceable, consistent with such provision and the purpose of this SIHNV Composition Plan. Notwithstanding any such alteration, the remainder of this SIHNV Composition Plan is not and shall in no way be affected by such alteration.

Valuation Principles

1 General principles

- 1.1** This Schedule sets out the principles for the valuation of the Claims of each Distribution Creditor, which shall be their Claim Value for the purposes of this SIHNV Composition Plan. Unless otherwise defined, capitalised terms in this Schedule shall have the meanings given to them in **Schedule 1** (*Definitions List*) to this SIHNV Composition Plan.
- 1.2** As a starting point, the Claims of the Distribution Creditors are valued by reference to Dutch bankruptcy law in respect of the admission of Claims in SoP proceedings. This means that these Claims are in principle valued at their cash value (*contante waarde*) as at the commencement of the SoP.
- 1.3** Pursuant to Section 260 DBA in conjunction with Section 133 DBA, the cash value of the following Claims must be estimated for their value in Dutch currency (i.e. in EUR) for the purposes of admission in SoP proceedings:
- 1.3.1** Claims that have an indeterminate or uncertain value;
 - 1.3.2** Claims with a value that is not expressed in Dutch currency; and
 - 1.3.3** Claims with a value that is not expressed in monetary terms.
- 1.4** If the value of the Claim does not follow from a fixed or agreed amount and is instead determined by making a subjective judgement or projection, the cash value of the Claim cannot be readily established. This is in principle the case for Claims that are based on civil tort or contractual liability for damages. These Claims should be treated as Claims that have an indeterminate or uncertain value as referred to in par. 1.3 above. Their value will be estimated in accordance with standard market practice valuations as set out in these Valuation Principles.
- 1.5** To the extent that any Claims of any Distribution Creditors are asserted in a currency other than EUR, the cash value of any such Claims will be estimated (for the purposes of determining the Claim Value only) by conversion into EUR at the relevant exchange rate as at the date of commencement of the SoP.
- 1.6** To the extent that any Claims of any Distribution Creditors are asserted for non-monetary performance and those Claims are capable of being admitted in SoP proceedings, the cash value of any such Claims will be estimated in the manner described for that relevant Distribution Creditor in these Valuation Principles (pars. 4.4 and 5.3 below).
- 1.7** If the cash value of a Claim as at the date of commencement of the SoP cannot be determined because it is not (yet) due on or before that date, the following shall apply:
- 1.7.1** Pursuant to Section 262(1) DBA, the value of Claims with an uncertain due date will be valued as at the commencement of the SoP.
 - 1.7.2** Pursuant to Section 262(2) DBA, the value of Claims which become due within one year from the commencement of the SoP shall be deemed to be due at the commencement of the SoP for the purposes of their valuation. All Claims which become due after one year following the commencement of the SoP are deemed to be due at the date following one year after the commencement of the SoP for the purposes of their valuation.

- 1.8** Any statutory interest that may have accrued until the commencement of the SoP on SIHNV MPC Relevant Claims, SIHNV Contractual Claims and other non-contractual, rescissory and delictual damages Claims asserted by Distribution Creditors shall neither be included nor applied in the calculation of the Claim Value for any such Claims. The reason for this is that the statutory interest rate depends on (amongst other things) the law applicable to the Claim. This raises complications with respect to the SIHNV MPC Relevant Claims, as those Claims may be governed by (a combination of) Dutch law, South African law, German law and/or other laws (depending on a multitude of factors), each of which prescribe different rates and conditions for the application of statutory interest. This causes significant complication to the determination of the value of the SIHNV MPC Relevant Claims and may lead to many different outcomes for different SIHNV MPC Claimants. It also causes the SIHNV MPC Claimants to grow at a different rate than the SIHPL MPC Claimants, which causes a disparity between the MPC Relevant Claims. Finally, it would cause their Claim Values to change over time, which would complicate the calculation of the settlement distributions offered pursuant to this SIHNV Composition Plan (which is expected to occur over time as well, rather than at a single interval).
- 1.9** Therefore, with a view to efficiency and consistency, the accrual of statutory interest is not taken into account for the Claim Values of the SIHNV MPC Relevant Claims. In order to ensure that the Claims of all Distribution Creditors are treated equally, the same principle applies to the SIHNV Contractual Claims and the other non-contractual, rescissory and delictual damages Claims asserted by Distribution Creditors.

2 SIHNV MPC Claimants

- 2.1** The SIHNV MPC Relevant Claims of the SIHNV MPC Claimants are based on non-contractual grounds such as civil tort and/or statutory failings (usually relating to the publishing of accurate accounts). The cash value of these Claims is considered to be an indeterminate or uncertain value which must be estimated (pars. 1.3 to 1.4 above). For these purposes, the Claim Values of the SIHNV MPC Relevant Claims will be estimated in accordance with the Steinhoff Allocation Plan.
- 2.2** For the purposes of determining the respective values of any SIHNV MPC Relevant Claims purported to be filed by or on behalf of any SIHNV MPC Claimant in the SoP, reference is made to pars. 44 to 46 of the Steinhoff Allocation Plan.

3 SIHNV Contractual Claims

- 3.1** The Claims asserted by the SIHNV Contractual Claimants arise in respect of contractual arrangements entered into directly with SIHNV and/or other Steinhoff Group Companies whereby SIHNV shares were either exchanged as consideration for shares owned by the claimant, purchased by the claimant or issued to the claimant, from 7 December 2015 o.o.b. to 5 December 2017 c.o.b. These claimants assert liability on the basis of misrepresentation and claim rescission of the relevant contract with Steinhoff Group Companies and/or delictual damages.
- 3.1.1** The Tekkie Town Claimants have commenced proceedings against SIHNV in South Africa under case number 8276/2018 asserting a rescissory Claim in respect of 25,047,500 SIHNV Shares issued to them, in exchange for shares in Tekkie Town (Pty) Ltd. for an original transaction value of ZAR 75.75 per share and seeking payment of, among other things, ZAR 1,854,678,150 (the "**Tekkie Town Claim**").
- 3.1.2** With respect to the Lancaster Claimants:

- (i) Lancaster 101 has commenced proceedings against SIHNV in South Africa under case number 6578/19 (and application proceedings under case number 16389/2019) asserting, among other Claims, a rescissionary Claim in respect of 51,526,717 SIHNV Shares issued to it for an original transaction value of ZAR 75.98 per share and seeking payment of, among other things, ZAR 3,914,999,957 (such Claim in respect of such SIHNV Shares only being the "**Lancaster 101 Contractual Claim**"); and
- (ii) the PIC and the GEPF have commenced proceedings against SIHNV in South Africa under case number 18180/20 asserting, among other Claims, a delictual damages Claim in respect of 8,473,283 SIHNV Shares issued to GEPF for an original transaction value of ZAR 75.98 per share and seeking payment of, among other things, ZAR 643,800,042 (such Claim in respect of such SIHNV Shares only being the "**PIC/GEPF Contractual Claim**").

3.1.3 The Upington Claimants assert a delictual damages Claim originally arising in favour of Upington, purportedly transferred to Titan, against SIHNV in respect of:

- (i) the 162,000,000 SIHNV Shares issued to Upington pursuant to the subscription agreement dated 28 September 2016, with an original transaction value of EUR 5.055 per share, i.e. EUR 818,910,000; and
- (ii) the 152,000,000 SIHNV Shares acquired by Upington from Sunnyside Investment Partners Limited and Sutherland Investments Partners UK Limited pursuant to the share purchase agreement dated 28 September 2016, with an original transaction value of EUR 5.055 per share, i.e. EUR 768,360,000,

(together, the "**Upington 1 Claim**").

3.1.4 There is a dispute amongst the Upington Claimants as to which party is the legal or beneficial owner of (all or part of) the Upington 1 Claim:

- (i) Upington commenced proceedings against SIHNV in South Africa under case number 7287/18, which seeks (among other things) payment of the Upington 1 Claim, asserted to amount to EUR 818,910,000 with respect to the acquisition of the 162,000,000 SIHNV Shares and EUR 768,360,000 with respect to the acquisition of the 152,000,000 SIHNV Shares. These proceedings were subsequently transferred to Titan when Upington ceased to exist.
- (ii) Conservatorium purports to have acquired approximately 94% of the margin loan originally provided by the Upington Margin Lenders to finance Upington's acquisition of 314,000,000 SIHNV Shares in 2016. Conservatorium has brought, with reference to the terms of the margin lending and associated security documentation, multiple proceedings against SIHPL and SIHNV, including:
 - (a) the proceedings initiated by Conservatorium against SIHPL and SIHNV before the District Court of Amsterdam under case number C/13/684774 seeking payment of (among other things) the Upington 1 Claim, asserted to amount to approximately EUR 1,587,000,000, on the basis that Upington assigned the rights to this claim to the Upington Margin Lenders by way of security; and

- (b) the proceedings issued in the High Court of South Africa by Conservatorium against, amongst others, SIHNV and SIHPL with case number 5727/2020, similarly seeking to enforce for its benefit the Upington 1 Claim, asserting (contrary to Conservatorium's case) that Upington did not pledge the Upington 1 Claim to the Upington Margin Lenders, but instead assigned it to Titan.
 - (iii) Thibault and Titan dispute the legal or beneficial ownership of Conservatorium of all or part of the Upington 1 Claim and the Upington 2 Claim.
- 3.1.5 Solely for the purposes of this SIHNV Composition Plan, SIHNV accepts, that, in 2017, Upington assigned the rights to the Upington 1 Claim to the lenders who financed and/or refinanced the margin loan originally provided to Upington to finance Upington's acquisition of 314,000,000 SIHNV Shares in 2016 and that, subsequently, the Upington Margin Lenders acquired the rights of the original margin lenders in that respect.
- 3.1.6 As such, and solely for the purposes of this SIHNV Composition Plan, SIHNV accepts the Upington Margin Lenders are entitled to the benefit of, and to recover the settlement consideration provided for under this SIHNV Composition Plan in respect of, the Upington 1 Claim, each in proportion to its respective share in the participations in the margin loan originally provided by the Upington Margin Lenders.
- 3.1.7 In the event that multiple Upington Claimants concurrently file (all or part of) the Upington 1 Claim with the Claims Administrator pursuant to Clause 2 and/or 0, the Claims Administrator shall:
 - (i) qualify the Upington 1 Claim as asserted by the Upington Margin Lenders as an SIHNV Contractual Claim, and accordingly allow the Upington Margin Lenders to take the benefit of the settlement consideration in respect of that Claim under the terms of this SIHNV Composition Plan; and
 - (ii) qualify the Upington 1 Claim as asserted by any other Upington Claimant as a Non-Qualifying Claim, and accordingly refer the determination with respect to the legal ownership of (the relevant part of) that Claim to:
 - (a) the binding determination by the court of a competent jurisdiction in a final and unappealable judgment which is recognised and enforceable in the Netherlands;
 - (b) the binding determination in a final decision pursuant to an alternative dispute resolution process as agreed between the relevant Upington Claimants and SIHNV, and which is no longer subject to annulment; or
 - (c) the agreement in a settlement agreement between the relevant Upington Claimants and SIHNV.

3.2 The SIHNV Contractual Claims are considered Claims based on contractual liability. The cash value of these Claims is considered to be an indeterminate or uncertain value which must be estimated (par. 1.3 to 1.4 above) and, if applicable (for the purposes of determining their Claim Value only), converted into EUR at the relevant exchange rate as at the date of commencement of the SoP (par. 1.5 above).

- 3.3** For these purposes, the Claim Value of the rescissionary SIHNV Contractual Claims (the Tekkie Town Claim and the Lancaster 101 Contractual Claim) will be determined using the following method: Nominal Amount *less* the Floor Amount.
- 3.4** For the purposes of the valuation under par. 3.3 above:
- 3.4.1** **"Floor Amount"** means the Floor Price multiplied by the number of Relevant Shares held at the Holding Time;
- 3.4.2** **"Floor Price"** means:

- 3.4.8** **"Transaction Amount"** means the Original Shares multiplied by the transaction price attributed to those shares as specified in par. 3.1.1 and 3.1.2 above (as applicable); and
- 3.4.9** **"VWAP"** means the SIHNV volume weighted average price.
- 3.5** The Claim Value of the delictual SIHNV Contractual Claims (the Upton 1 Claim and the PIC/GEPE Contractual Claim) will be determined using the following method: Implied Claim(s) *less* Benefits.
- 3.6** For the purposes of the valuation under par. 3.5 above:
- 3.6.1** **"Benefits"** means:
- (i) the value of any cash dividends received prior to the Holding Time; *plus*
 - (ii) the number of shares the claimant elected to receive as either SIHPL Shares or SIHNV Shares in lieu of a cash dividend multiplied by the Floor Price; *minus*

- (iii) the proceeds from the sale of any Steinhoff Shares prior to the Holding Time; *minus*
- (iv) the number of SIHNV Shares sold prior to the Holding Time multiplied by the Floor Price;

3.6.2 "Floor Price" means:

- (i) for the shares held on the JSE, ZAR 2.43, being the VWAP for the SIHNV Shares listed on the JSE for the 30 days starting on the first trading day post the Publication Date; and
- (ii) for the shares held on the FSE, EUR 0.157, being the VWAP for the SIHNV Shares listed on the FSE for the 30 days starting on the first trading day post the Publication Date;

3.6.3 "Holding Time" means the moment of the end of trading on the JSE or FSE (as applicable) on 5 December 2017;

3.6.4 "Implied Claim" means:

- (i) the Transaction Amount; *less*
- (ii) the Floor Price multiplied by the Original Shares;

3.6.5 "Original Shares" means the SIHNV Shares originally subscribed for or received as part of an exchange with the relevant Steinhoff Group Company;

4 Non-Qualifying Claimants

4.1 The Non-Qualifying Claims of the Non-Qualifying Claimants are the following:

- 4.1.1** The Uppington 1 Claim, insofar it is asserted by any Uppington Claimant other than the Uppington Margin Lenders (see par. 3.1.5 above).
- 4.1.2** One or more of the Uppington Claimants assert a Claim against SIHNV in respect of SIHNV Shares (the "**Uppington 2 Shares**") that: (i) had been acquired by Thibault pursuant to the Scheme of Arrangement in exchange for certain SIHPL Shares for which Thibault had subscribed in November 2014 (the "**Thibault SIHPL Shares**"); (ii) were then transferred by Thibault to Uppington; and (iii) were then (to the extent of some but not all of them) pledged by Uppington to the Uppington Margin Lenders, by way of security. The Claim is based on alleged losses said to have been suffered in connection either with the original subscription by Thibault for the Thibault SIHPL Shares, or with the exchange of the Thibault SIHPL Shares for the Uppington 2 Shares (effected by means of the Scheme of Arrangement), or with the pledge by Uppington of the Uppington 2 Shares to the Uppington Margin Lenders (the "**Uppington 2 Claim**"). Conservatorium has commenced proceedings against SIHNV and SIHPL in the Netherlands (referred to in par. 3.1.4 above), seeking payment of, among other things, the Uppington 2 Claim, asserted to amount to approximately EUR 1,900,000,000.
- 4.1.3** One or more of the Uppington Claimants assert a Claim against SIHPL and SIHNV for any costs or damages associated with the margin loan originally provided by the Uppington Margin Lenders to Uppington to finance Uppington's acquisition of 314,000,000 SIHNV Shares in 2016 ("**Uppington Lender Claim**"). Conservatorium has commenced proceedings against (among others) SIHNV and SIHPL in the Netherlands referred to in par. 3.1.4 above, seeking payment of the Uppington Lender Claim, asserted to amount to approximately EUR 993,700,000.
- 4.1.4** In the legal action commenced by Lancaster 101 against SIHNV in South Africa under case number 6578/19 (described in par. 3.1.2(i) above), Lancaster 101 has also sought payment in respect of, among other things:
- (i) ZAR 643,800,042 in respect of losses allegedly suffered in connection with the SIHNV Shares that are the subject of the PIC/GEPF Contractual Claim (the "**Lancaster 101 PIC Shares Claim**");
 - (ii) ZAR 5,018,074,515 in respect of losses allegedly suffered in connection with a notional amount of 67 million SIHNV Shares which were the subject of a complex derivative arrangement with a third-party bank (Citibank) (the "**Lancaster 101 Derivative Claim**"); and
 - (iii) ZAR 2,072,147,968 in respect of losses allegedly suffered due to the inability of Lancaster 101 to repay the loan borrowed from the GEPF in connection with the transactions that are the subject of the Lancaster 101 Contractual Claim and the Lancaster 101 Derivative Claim (the "**Lancaster 101 Financing Claim**").
- 4.1.5** In the legal proceedings commenced by the PIC and the GEPF against SIHNV in South Africa under case number 18180/20 (described in par. 3.1.2(ii) above), the PIC and the GEPF have also sought payment of:
- (i) R4,558,800,000.00;

(ii) R5,085,000,021.86; and

(iii) R3,875,471,010.15,

in respect of alleged losses associated with the inability of Lancaster 101 to repay the loan borrowed from the GEPF in connection with the transactions that are the subject of the Lancaster 101 Contractual Claim and the Lancaster 101 Derivative Claim, and interest thereon (the **"PIC/GEPF Lender Claim"**).

- 4.2** SIHNV disputes the existence and validity of the Non-Qualifying Claims against SIHNV (regardless of whether they have yet been asserted against SIHNV, whether formally or informally).
- 4.3** SIHNV, together with SIHPL and SAHPL, has as of 14 February 2021 entered into a conditional settlement agreement with the Upington Margin Lenders, Titan and their respective related parties which agrees a basis on which the Non-Qualifying Claims comprising the Upington 1 Claim (insofar it is asserted by any Upington Claimant other than the Upington Margin Lenders), the Upington 2 Claim and the Upington Lender Claim will be settled for nil consideration payable by SIHNV subject to certain conditions, including the occurrence of the Settlement Effective Date.
- 4.4** The Claim Value for each of the Non-Qualifying Claims against SIHNV shall be EUR 1 or, if applicable, the Claim Value of that Non-Qualifying Claim is:
- 4.4.1** determined on a binding basis by the court of a competent jurisdiction in a final and unappealable judgment which is recognised and enforceable in the Netherlands;
 - 4.4.2** determined on a binding basis in a final decision pursuant to an alternative dispute resolution process as agreed between the relevant Non-Qualifying Claimant and SIHNV, and which is no longer subject to annulment; or
 - 4.4.3** otherwise agreed in a settlement agreement between the relevant Non-Qualifying Claimant and SIHNV.
- 4.5** SIHNV shall establish the Reserve Fund for distribution to the Non-Qualifying Claimants. The amount of the Reserve Fund is based on the amounts SIHNV expects to be payable in respect of the asserted value or the reasonably asserted value estimated by SIHNV of the Non-Qualifying Claims, to the extent they should be established or agree between the relevant parties. This estimate is based on, amongst other things, a provisional assessment by SIHNV of:²³
- 4.5.1** the merits of the Claim;
 - 4.5.2** the grounds and asserted amount of the Claim;
 - 4.5.3** the possible defences against the Claim; and
 - 4.5.4** the chance that the Claim would be awarded by the court of a competent jurisdiction (and for which amount).

5 Contingent Creditors

²³ See e.g. Court of Appeal Leeuwarden 5 November 2004, ECLI:NL:GHLEE:2004:AR5308 (*HTS/NCH*).

- 5.1** SIHNV disputes the existence and validity of the Contingent Claims against SIHNV (regardless of whether they have yet been asserted against SIHNV, whether formally or informally).
- 5.2** To the extent a Contingent Creditor has filed a Claim on or before the Bar Date in accordance with Clause 0 of this SIHNV Composition Plan, SIHNV shall as soon as reasonably practicable pay, or procure the payment of, an appropriate amount to the Reserve Fund on the basis of the asserted value or what SIHNV estimates to be the reasonably asserted value of the Claim, whichever is lesser, filed by the relevant Contingent Creditor pursuant to this SIHNV Composition Plan.²⁴
- 5.3** The Claim Value for each Contingent Claim shall be EUR 1 or, if applicable, the Claim Value of that Claim as:
- 5.3.1** determined on a binding basis by the court of a competent jurisdiction in a final and unappealable judgment which is recognised and enforceable in the Netherlands;
 - 5.3.2** determined on a binding basis in a final decision pursuant to an alternative dispute resolution process as agreed between the relevant Contingent Creditor and SIHNV, and which is no longer subject to annulment; or
 - 5.3.3** otherwise agreed in a settlement agreement between the relevant Contingent Creditor and SIHNV.

²⁴ Reference is made to par. 4.5 above with respect to the considerations based on which SIHNV makes such an estimate.
